Fruits Booklet

Draw Sunflower, Draw Tulip flowers  
What Do Plants Needs?

Happy Learning!

# Life cycle of a Flower

Cut out the label circle and paste them in the correct number circles.  
Colour the picture.

# Parts of a Flower

Trace the words.  
Colour the Flower.

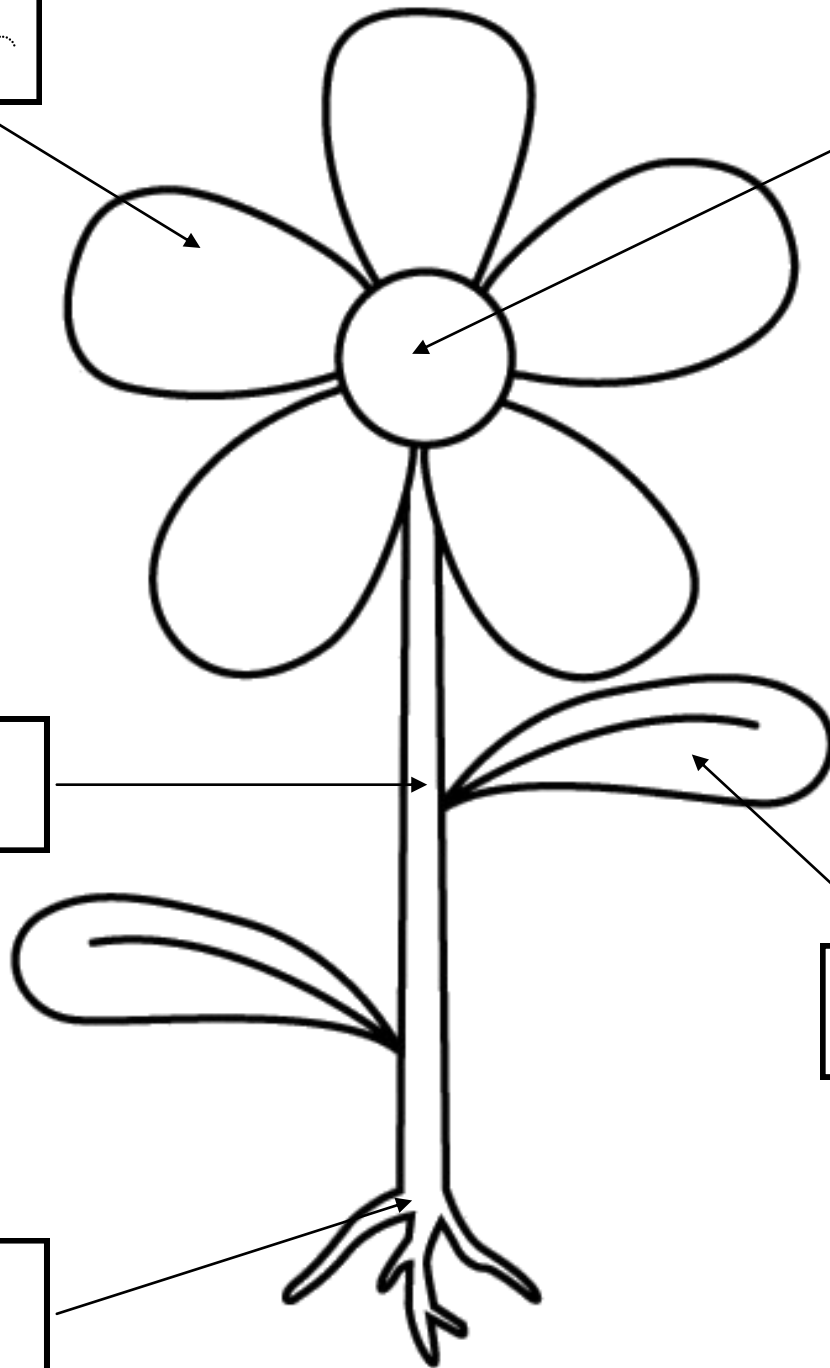

Flower

Seed

Stem

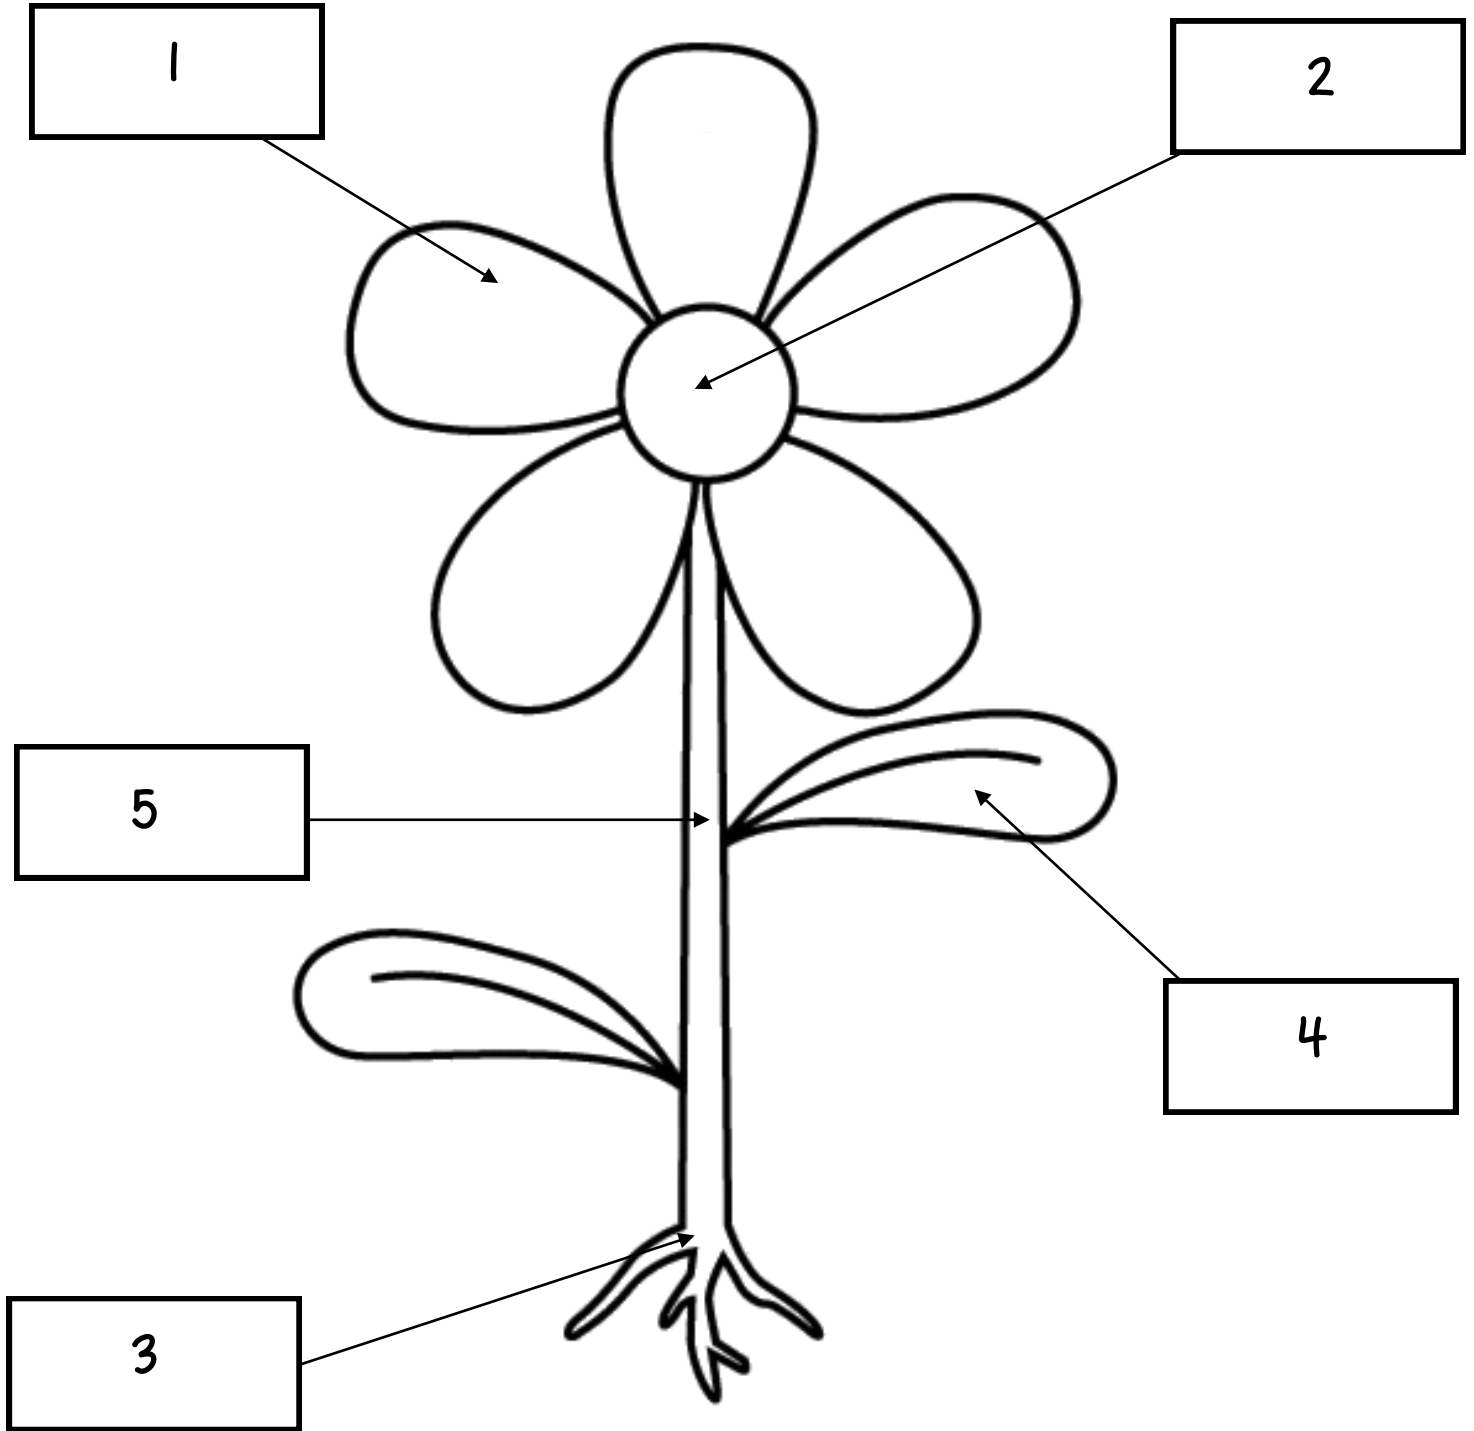

Leaf

Roots

# Parts of a Flower

Cut out the label and paste them in the correct number boxes.  
Colour the Flower.

1. Flower

5. Stem

4. Leaf

3. Roots

2. Seeds

# What Do Plant Needs?

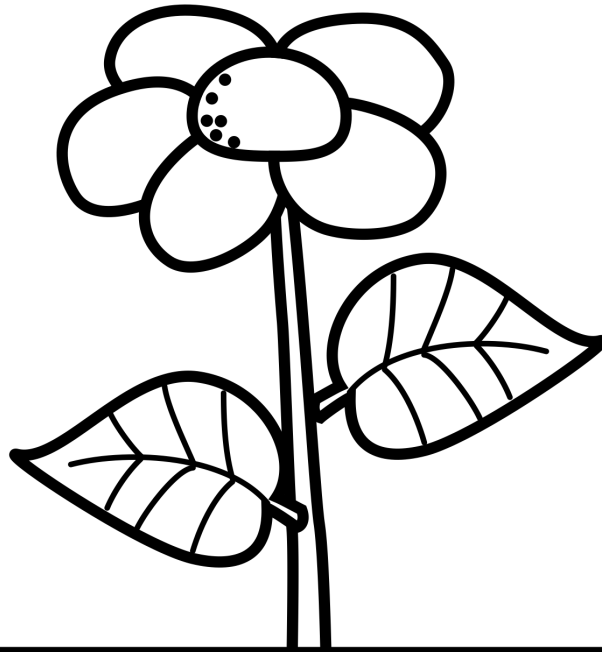

Cut out the label and paste them in the correct boxes.  
Colour the Flower and words.

Soil

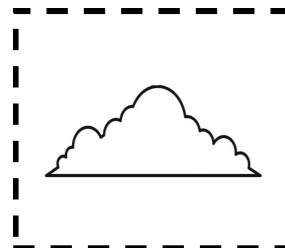

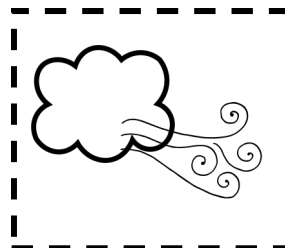

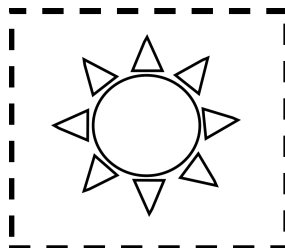

Sun

Air

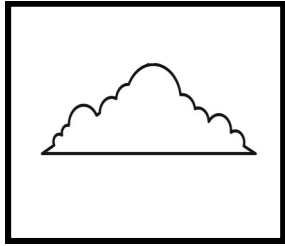

Water

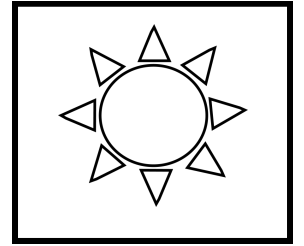

# What Do Plant Needs?

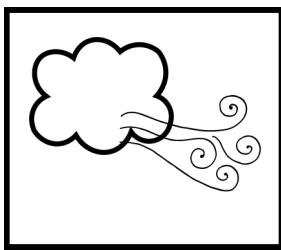

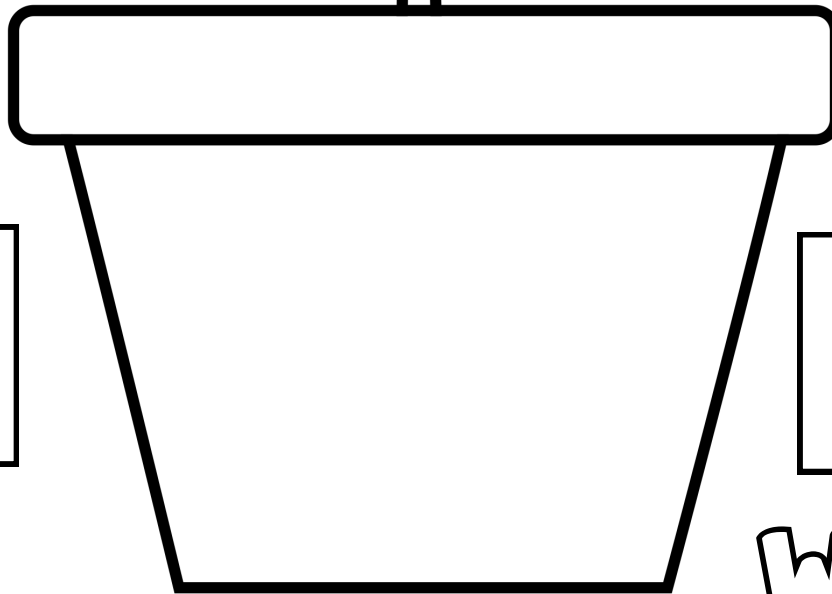

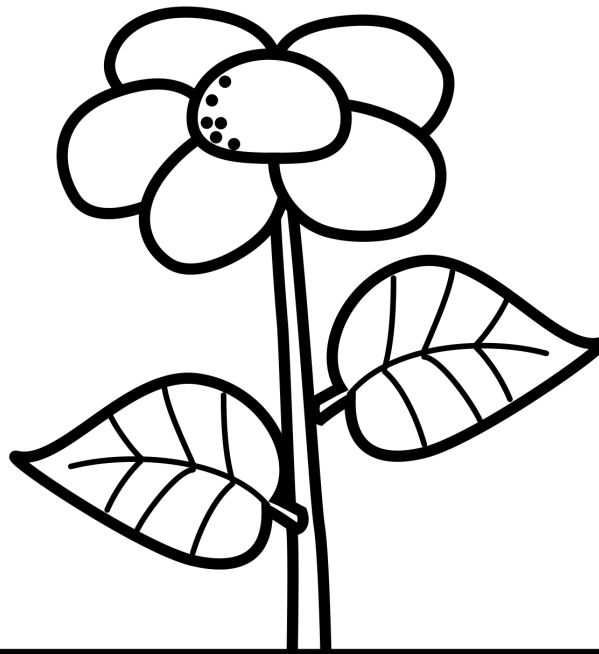

Colour the pictures and words.

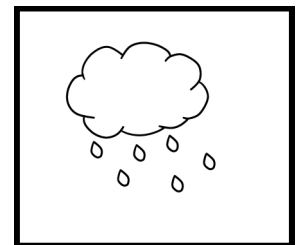

Soil

Sun

Air

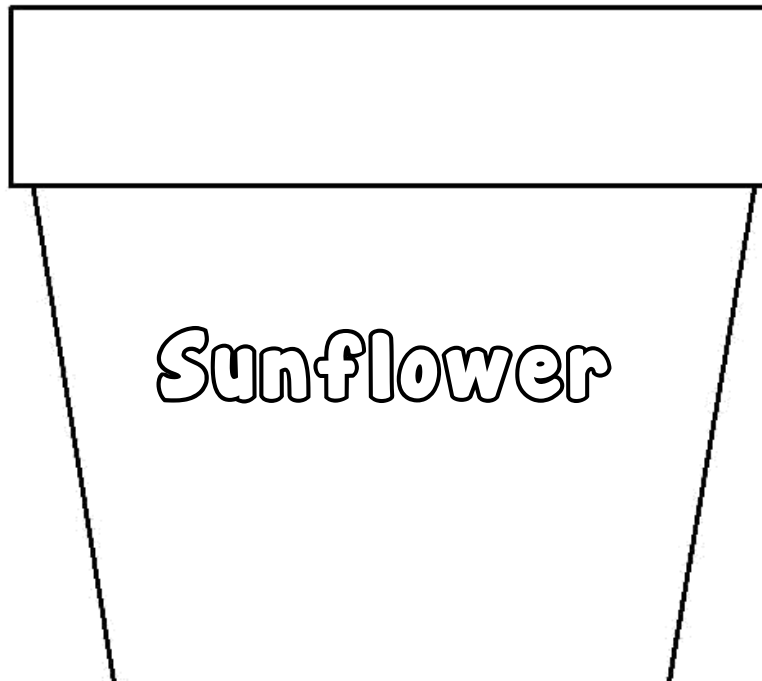

Water

**Plants** need soil to grow **flowers**

**Plants** need sun, air, water

# Draw Sunflower

Draw a Sunflower in the flower pot below.

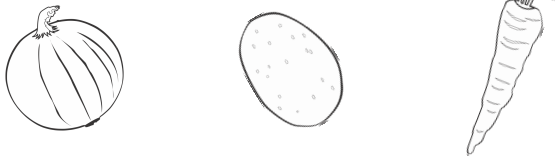

# Vegetables Booklet 1

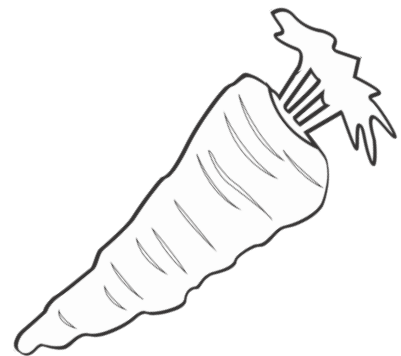

- Make a Vegetables Booklet cut out all the pieces
- Colour the vegetables and words
- Glue or staple them together.

Glue or Staple

Vegetables  
that grow  
underground

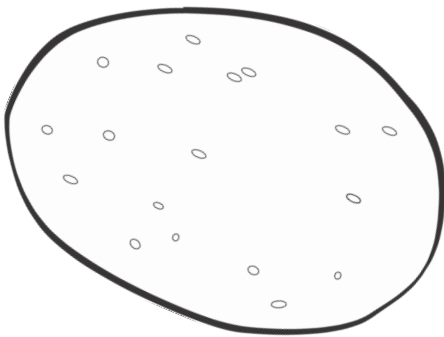

Glue or Staple

Carrots

1.

Glue or Staple

Potato

2.

Glue or Staple

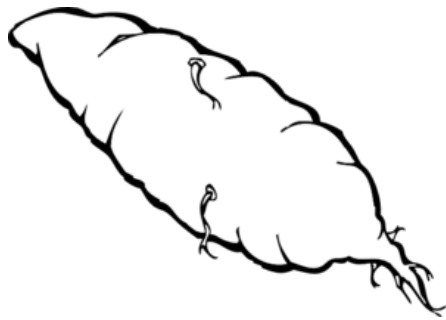

Onion

3.

# Vegetables Booklet 2

- Make a Vegetables Booklet cut out all the pieces
- Colour the vegetables and words
- Glue or staple them together.

Glue or Staple

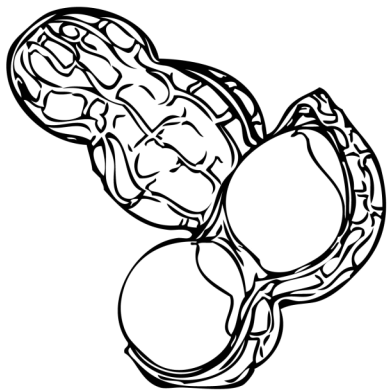

Sweet  
Potatoes 4.

Glue or Staple

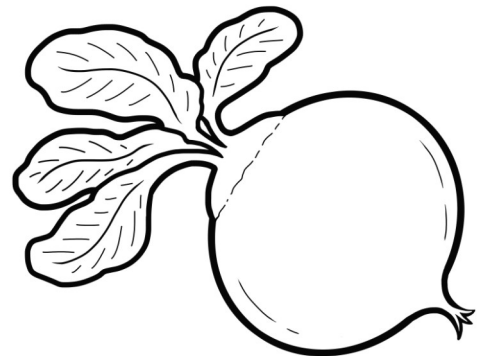

Leek 5.

Glue or Staple

Peanuts 6.

Glue or Staple

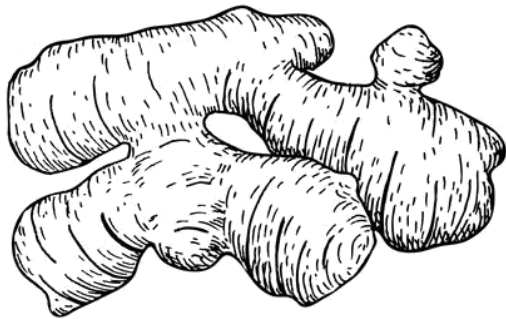

Red Beets 7.

# Vegetables Booklet 3

- Make a Vegetables Booklet cut out all the pieces
- Colour the vegetables and words
- Glue or staple them together.

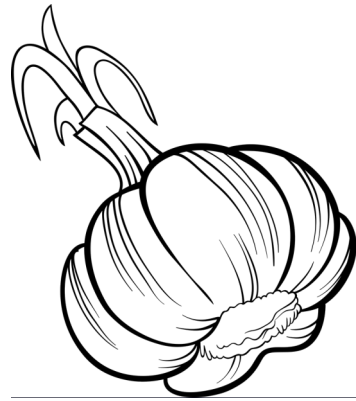

Glue or Staple

Ginger

8.

Glue or Staple

Garlic

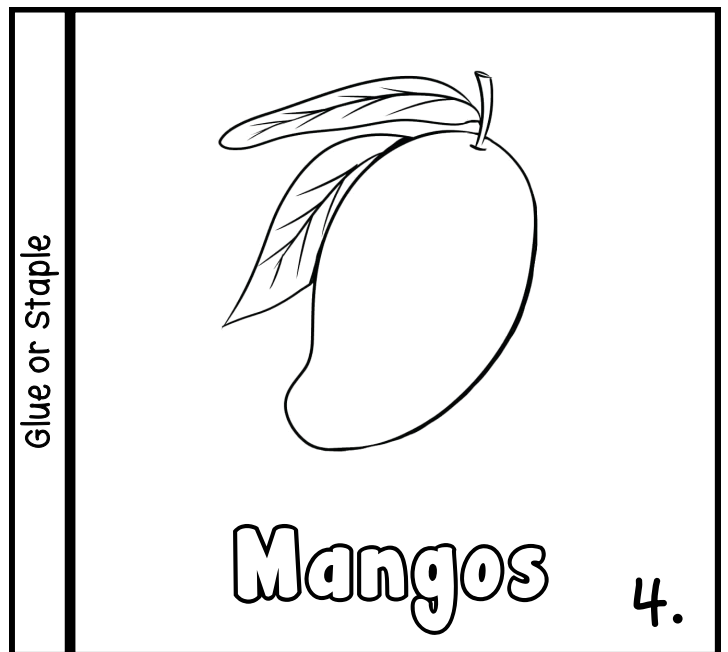

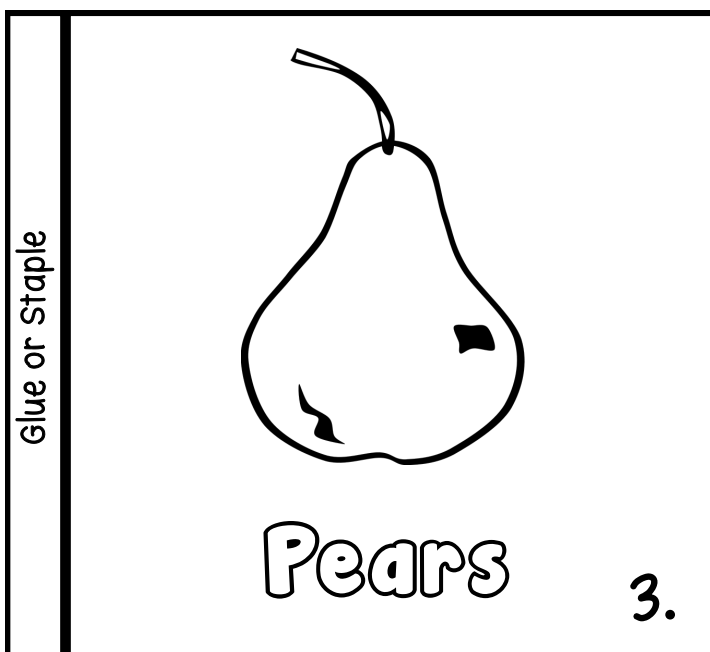

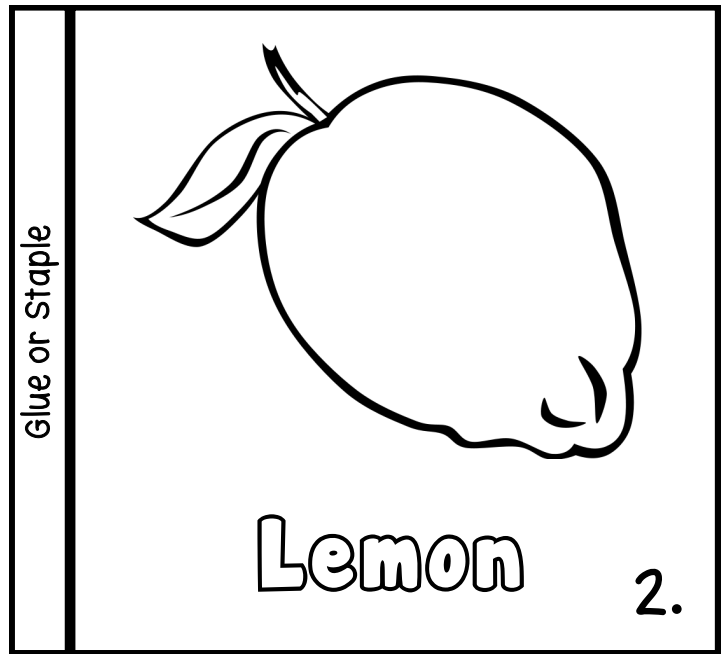

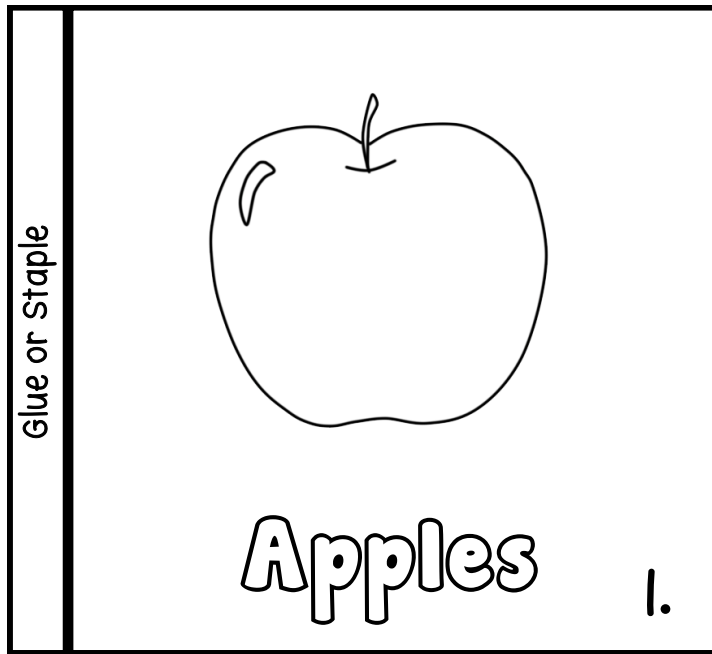

9.

Glue or Staple Back Cover

# Fruits that grow on a tree

## Booklet 1

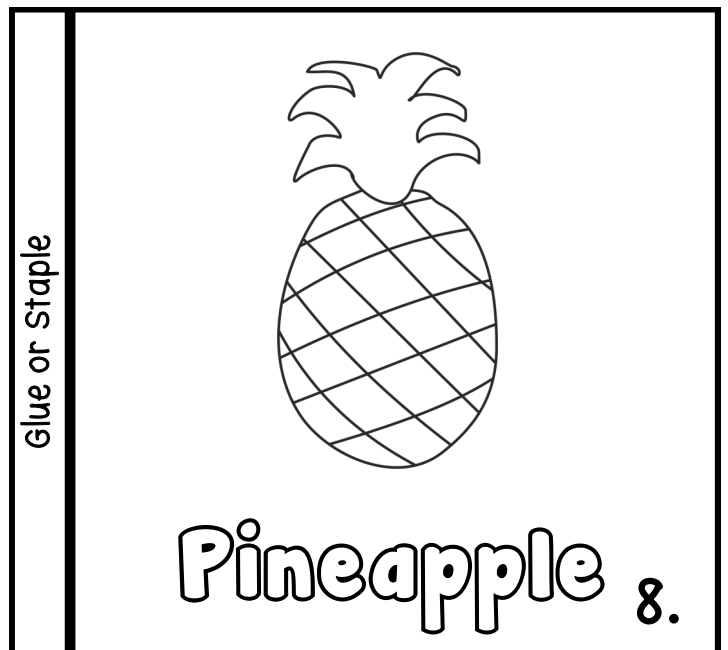

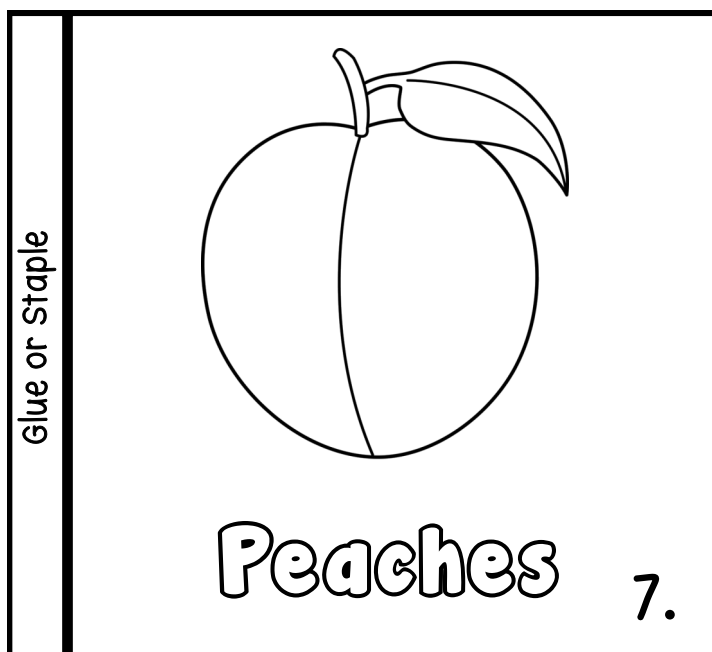

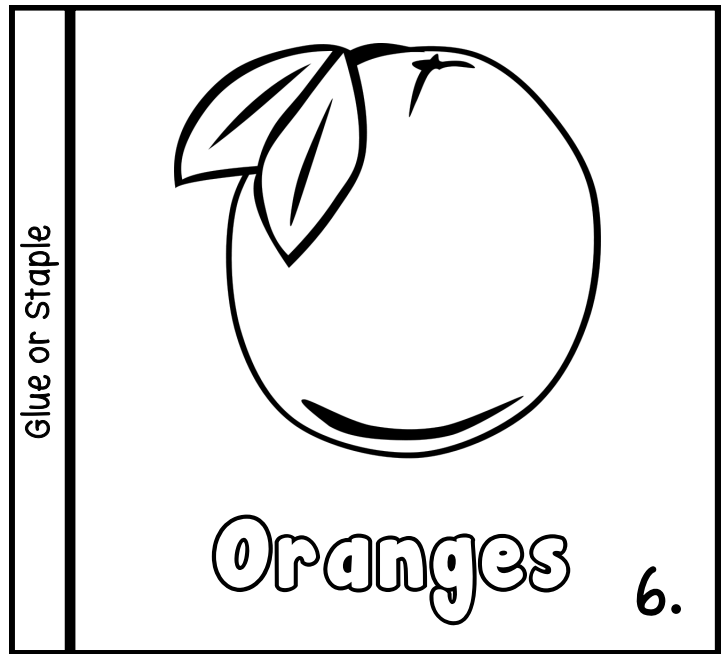

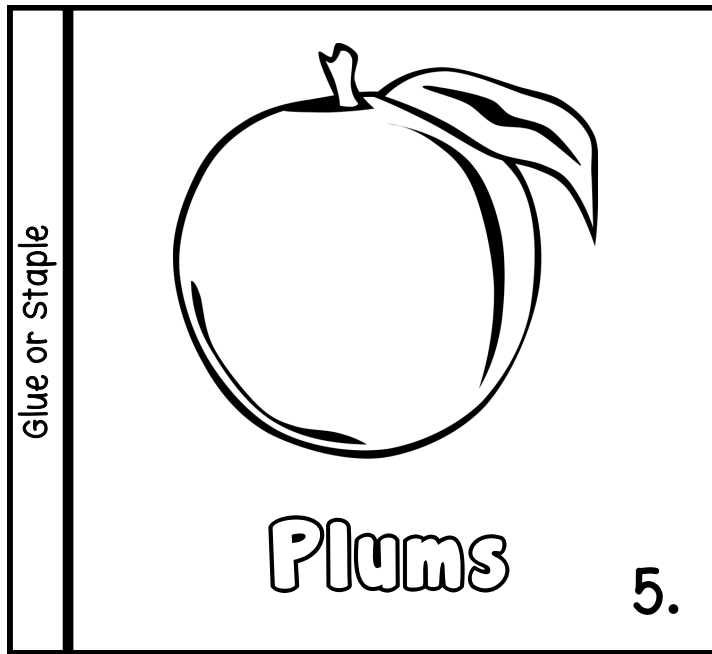

- Make a Fruits Booklet cut out all the pieces
- Colour the fruits and words
- Glue or staple them together.

# Fruits that grow on a tree

## Booklet 2

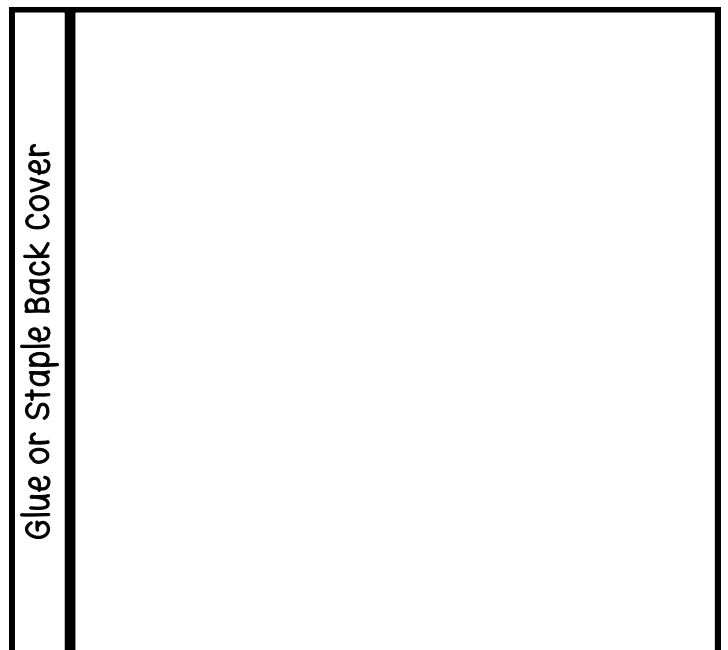

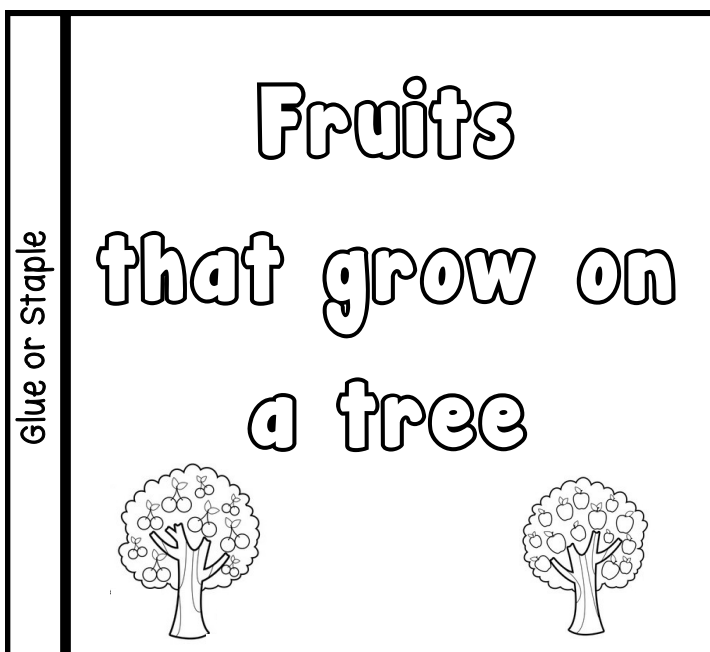

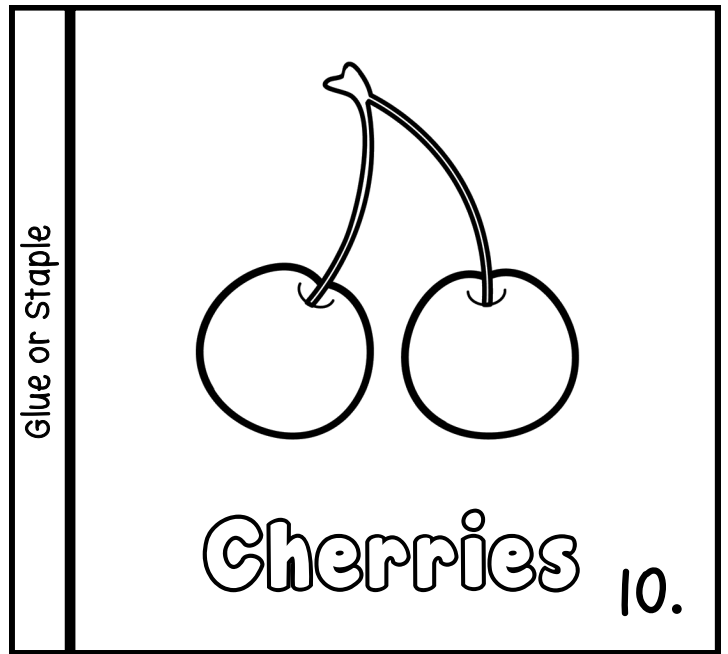

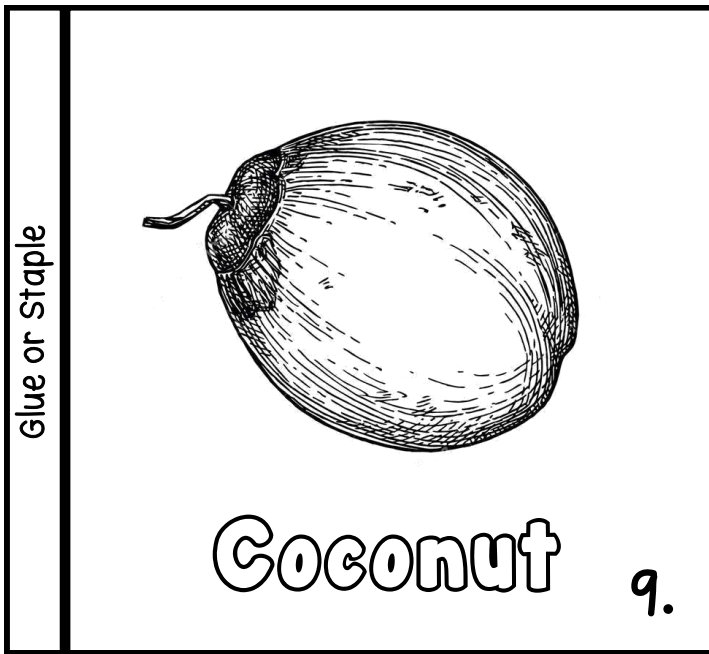

- Make a Fruits Booklet cut out all the pieces
- Colour the fruits and words
- Glue or staple them together.

# Fruits that grow on a tree

## Booklet 3

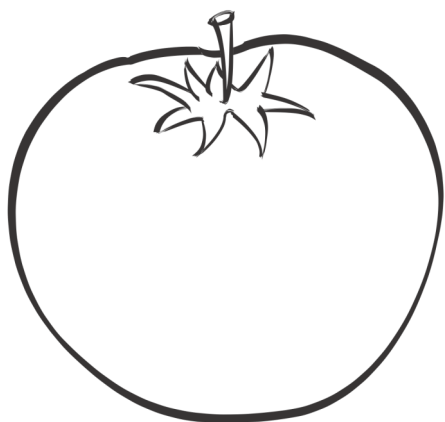

- Make a Fruits Booklet cut out all the pieces
- Colour the fruits and words
- Glue or staple them together.

# Fruits and Vegetables that grow on a vine Booklet 1

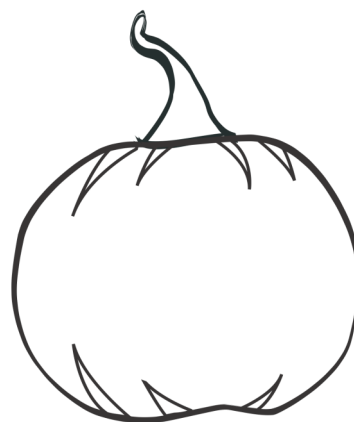

- Make a Fruits and Vegetables Booklet cut out all the pieces
- Colour the fruits and vegetables and words
- Glue or staple them together.

Glue or Staple

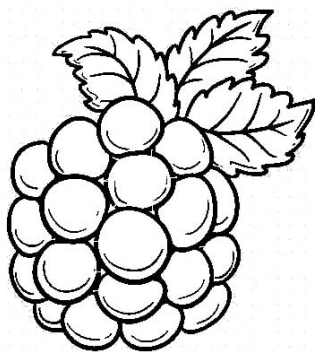

Tomatoes 1.

Glue or Staple

Pumpkins 2.

Glue or Staple

Blackberries 3.

Glue or Staple

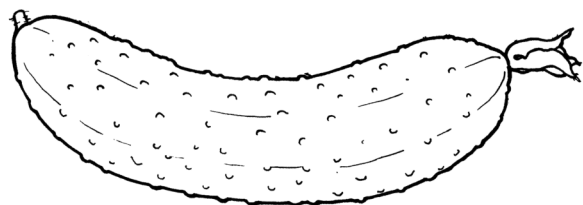

Grapes 4.

# Fruits and Vegetables that grow on a vine Booklet 2

- Make a Fruits and Vegetables Booklet cut out all the pieces
- Colour the fruits and vegetables and words
- Glue or staple them together.

Glue or Staple

Cucumbers

5.

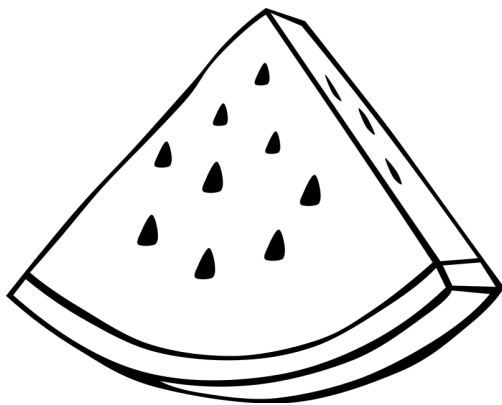

Glue or Staple

Beans

6.

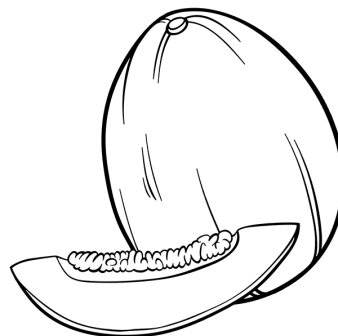

Glue or Staple

Watermelon

7.

Glue or Staple

Honeydew

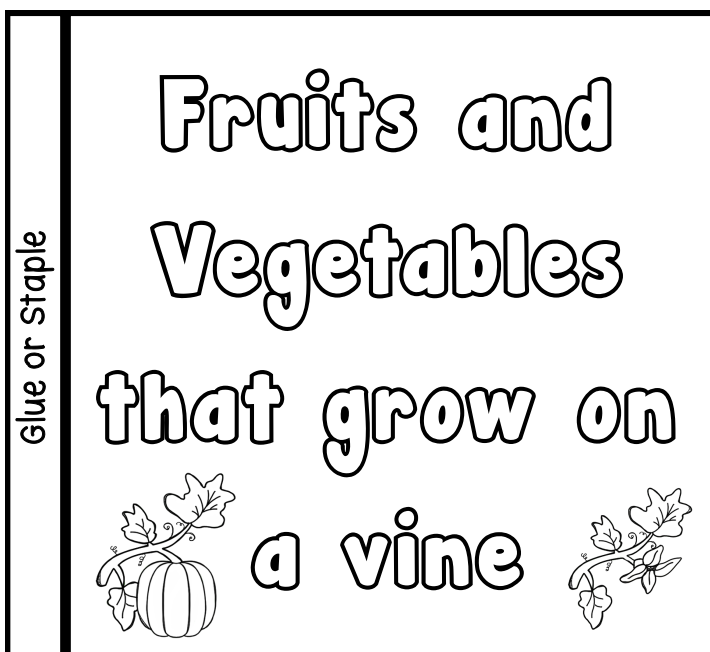

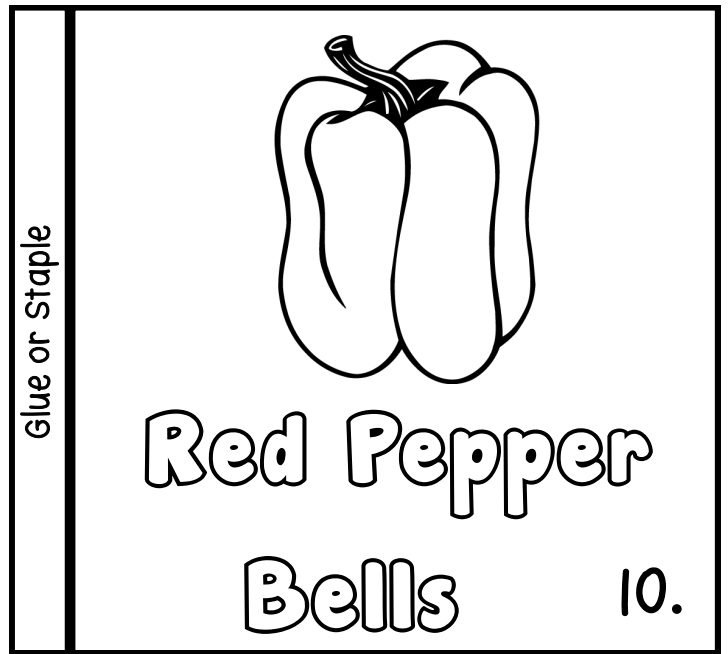

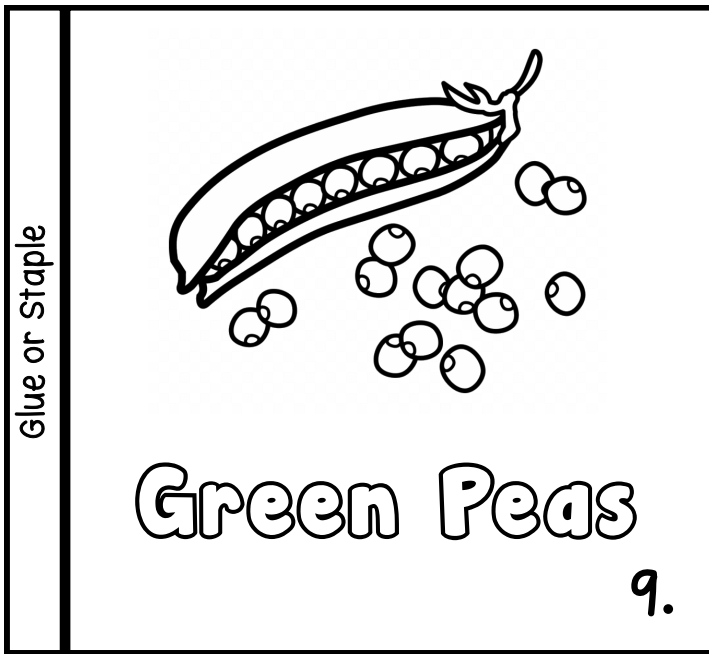

Melon

8.

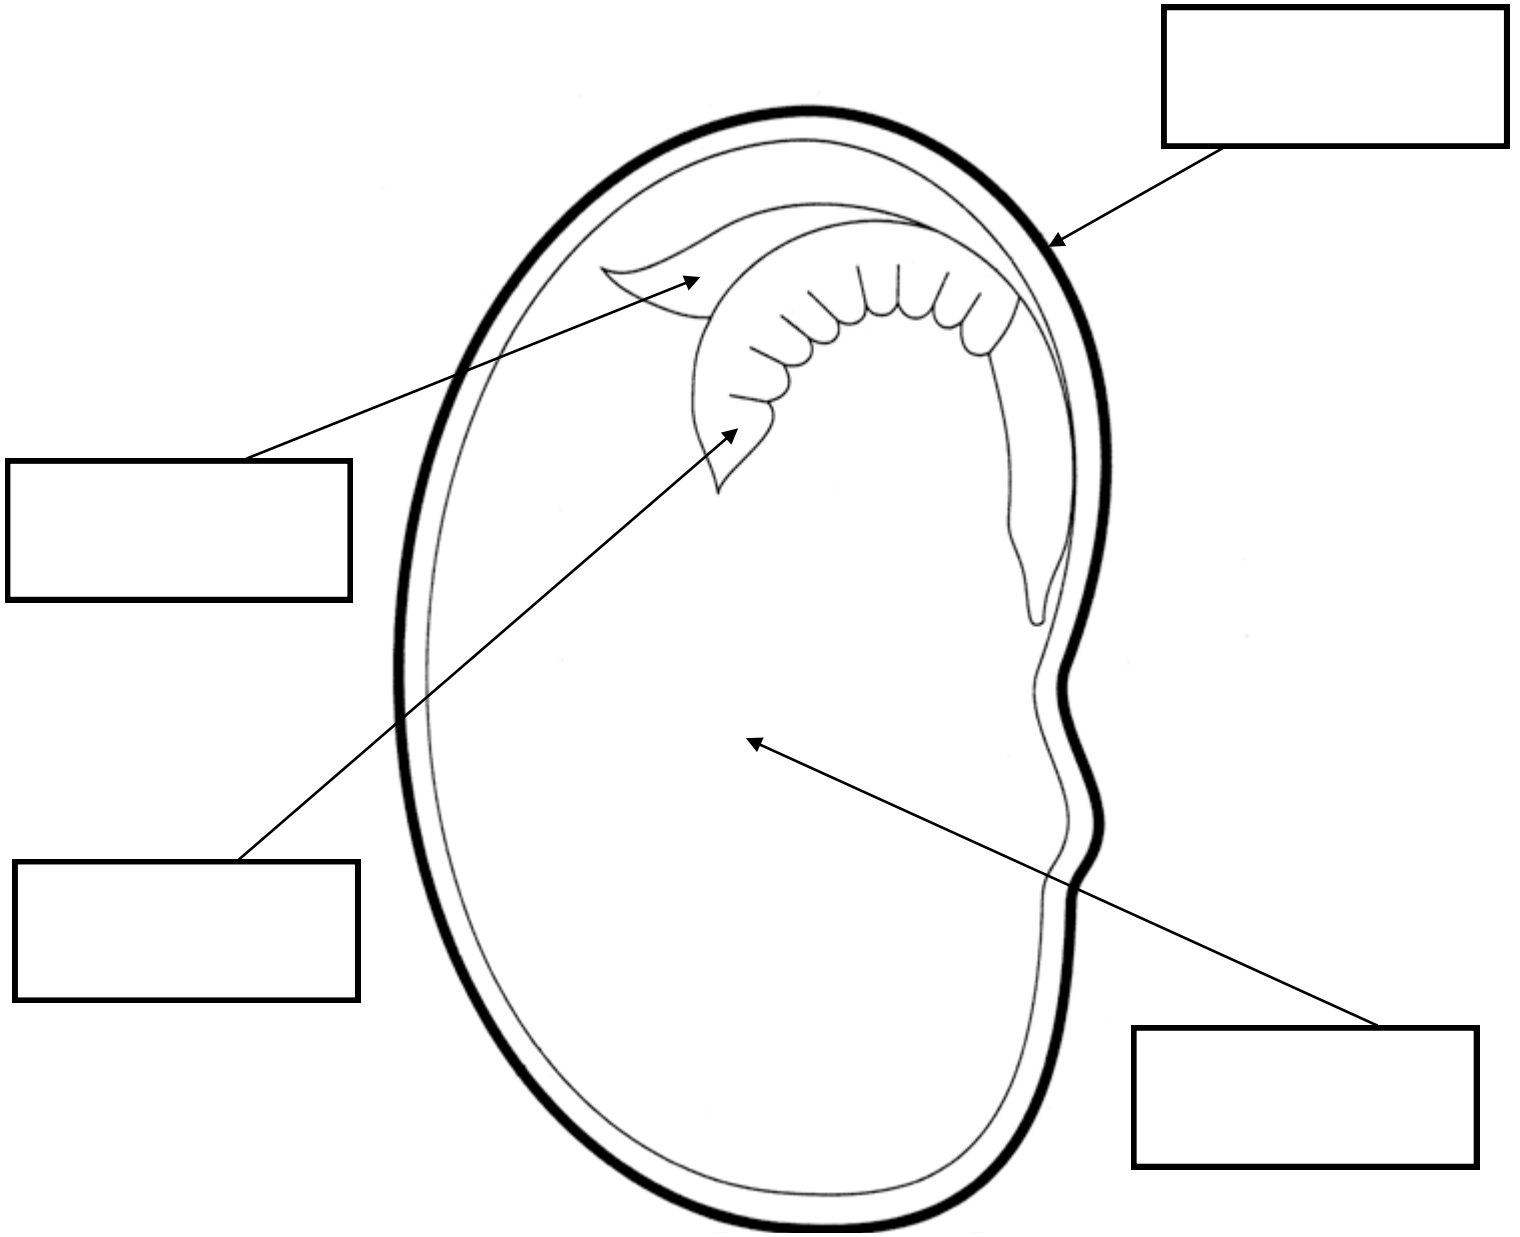

# Fruits and Vegetables that grow on a vine Booklet 3

- Make a Fruits and Vegetables Booklet cut out all the pieces
- Colour the fruits and vegetables and words
- Glue or staple them together.

# Part of a seed

Cut out the label and paste them in the correct boxes.  
Colour the beans.

beans

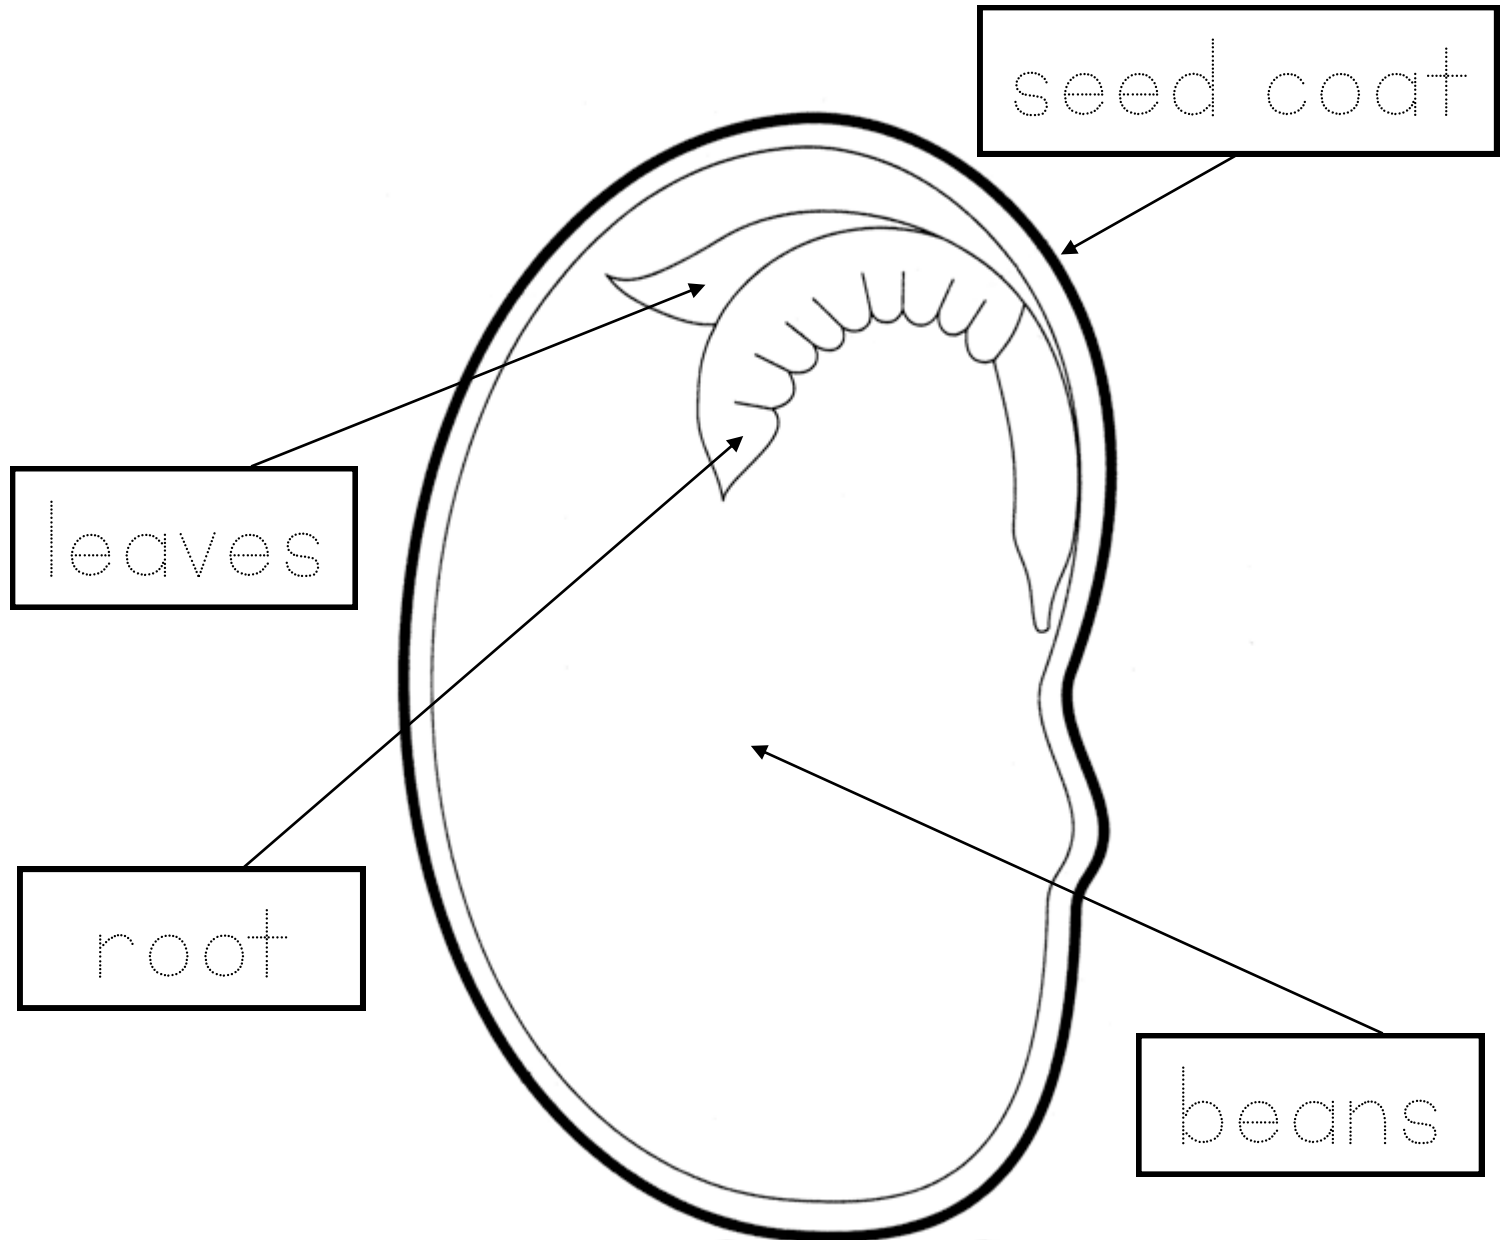

root

leaves

seed coat

# Part of a seed

Colour the beans and trace the words.  
Colour black, red and green beans below.

Red  
Kidney

Black  
Beans

Red  
Beans

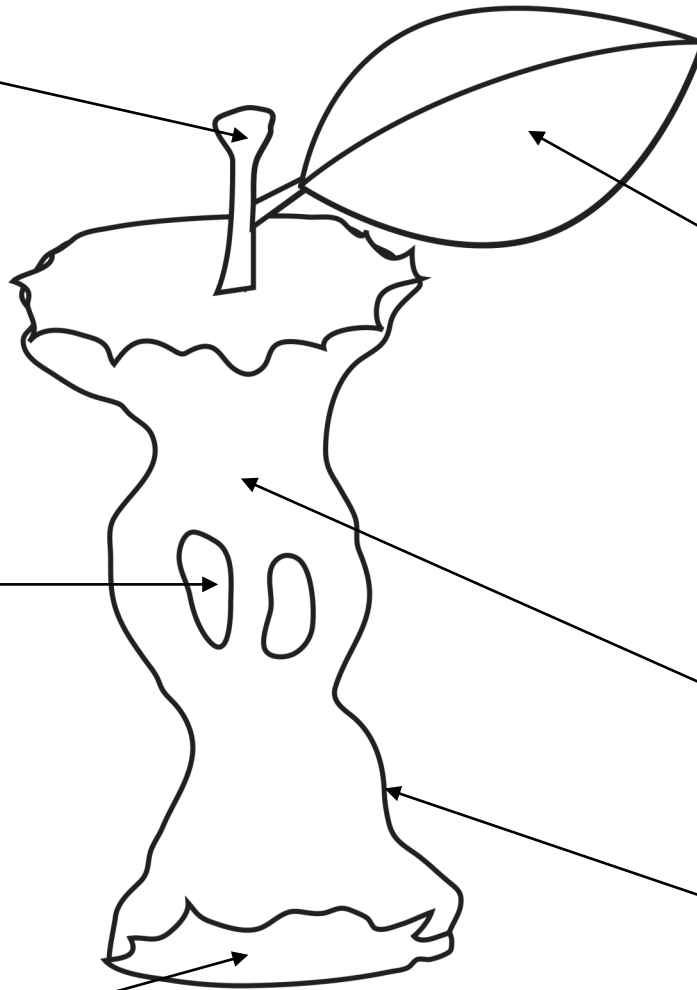

Green  
Beans

# Part of an Apple

Cut out the label and paste them in the correct number boxes.  
Colour the apple

1.

2.

3.

4.

5.

6.

5. Peel

3. Seed

2. Leaf

4. Core

6. Flesh

1. Stem

# Part of an Apple

Colour the apple and trace the words.  
Colour the apple red, yellow and green below.

Stem

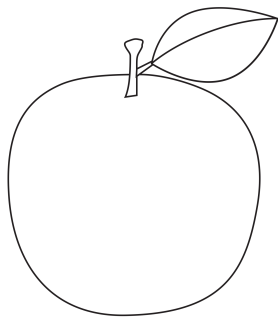

Leaf

Seed

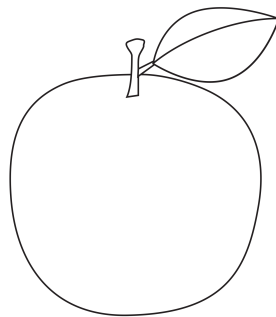

Core

Peel

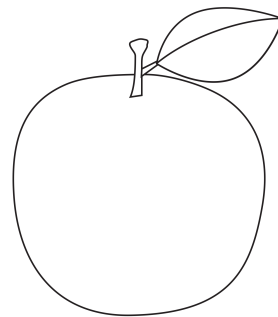

Flesh

Red

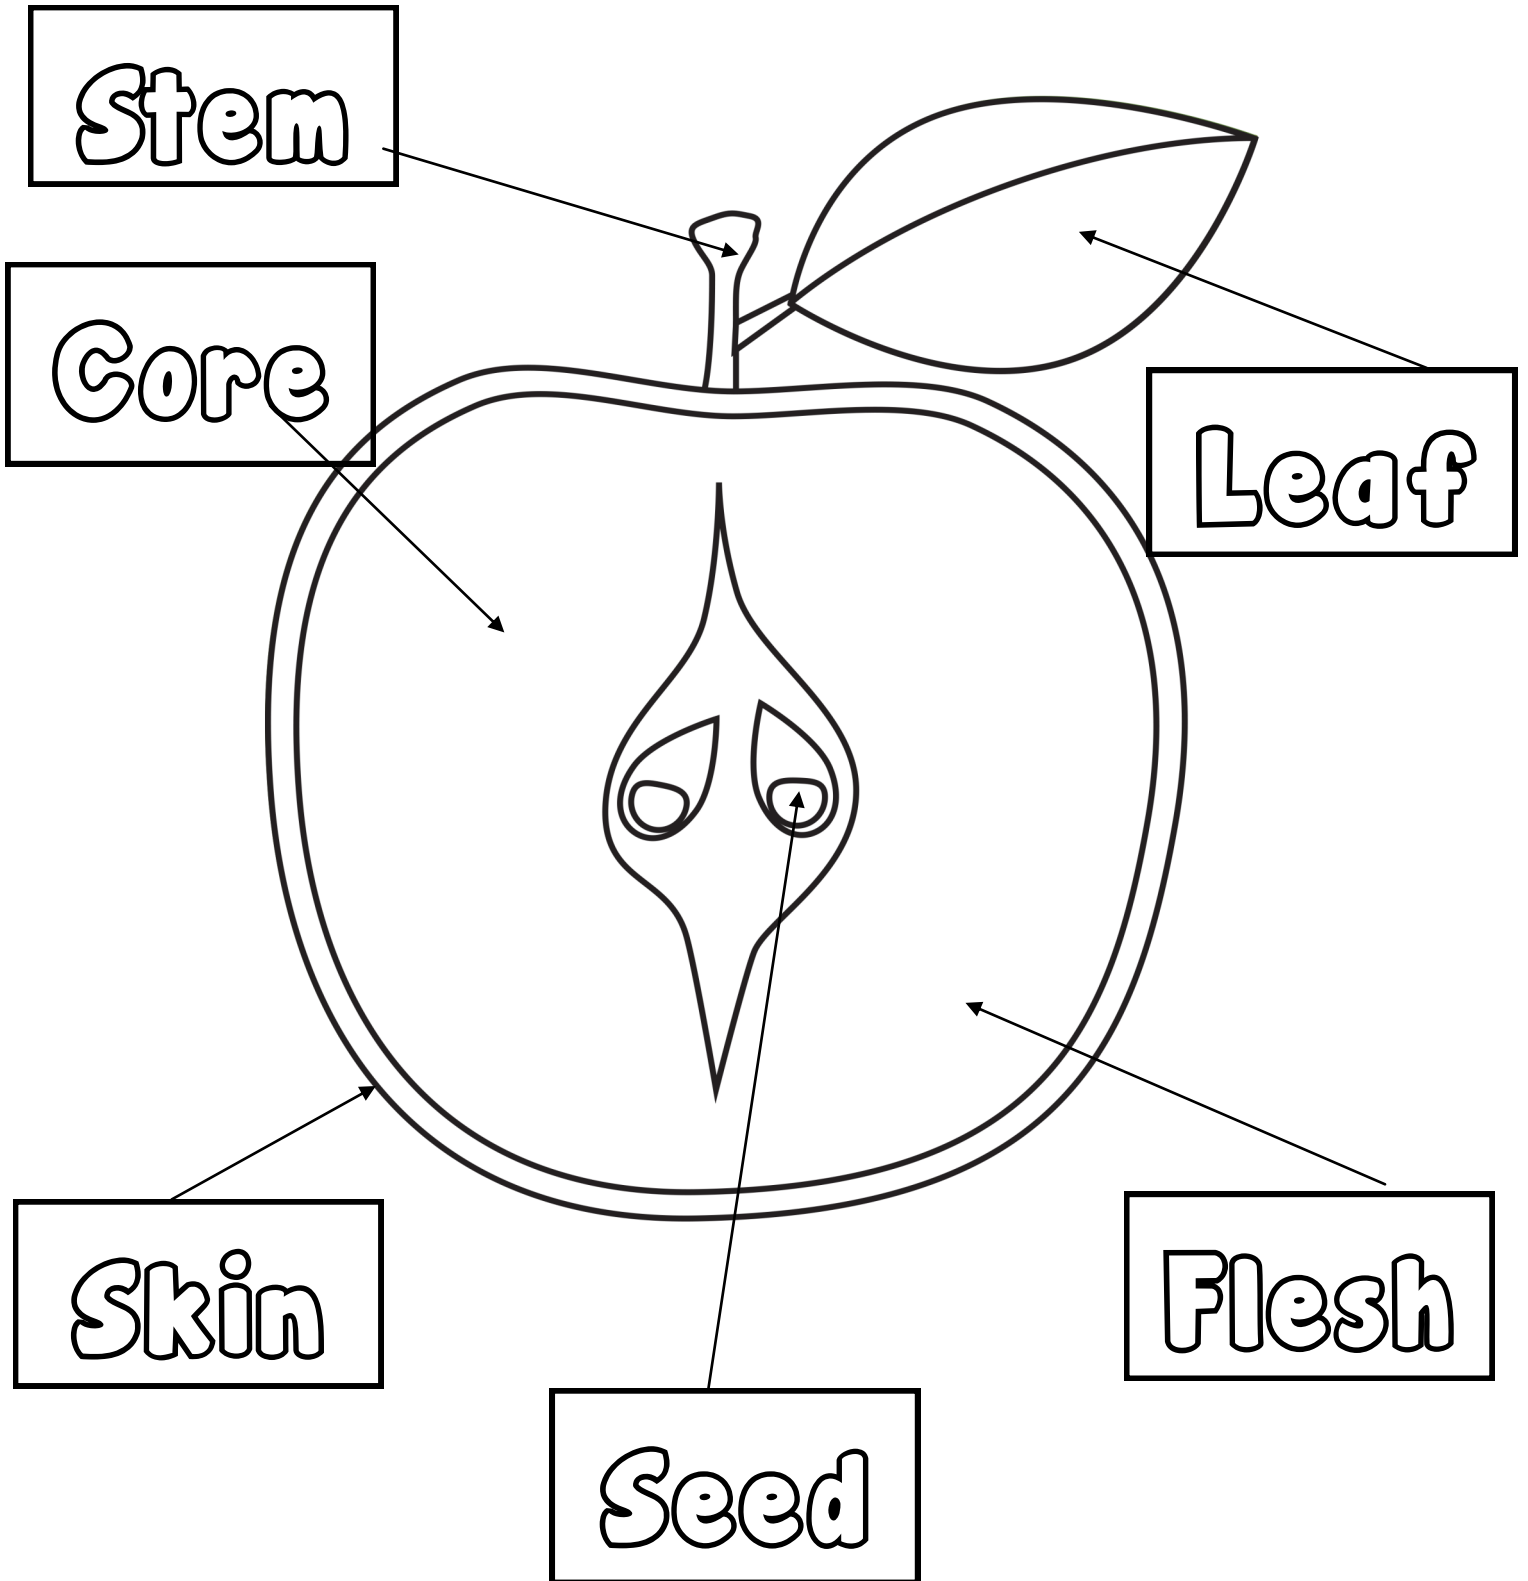

Yellow

Green

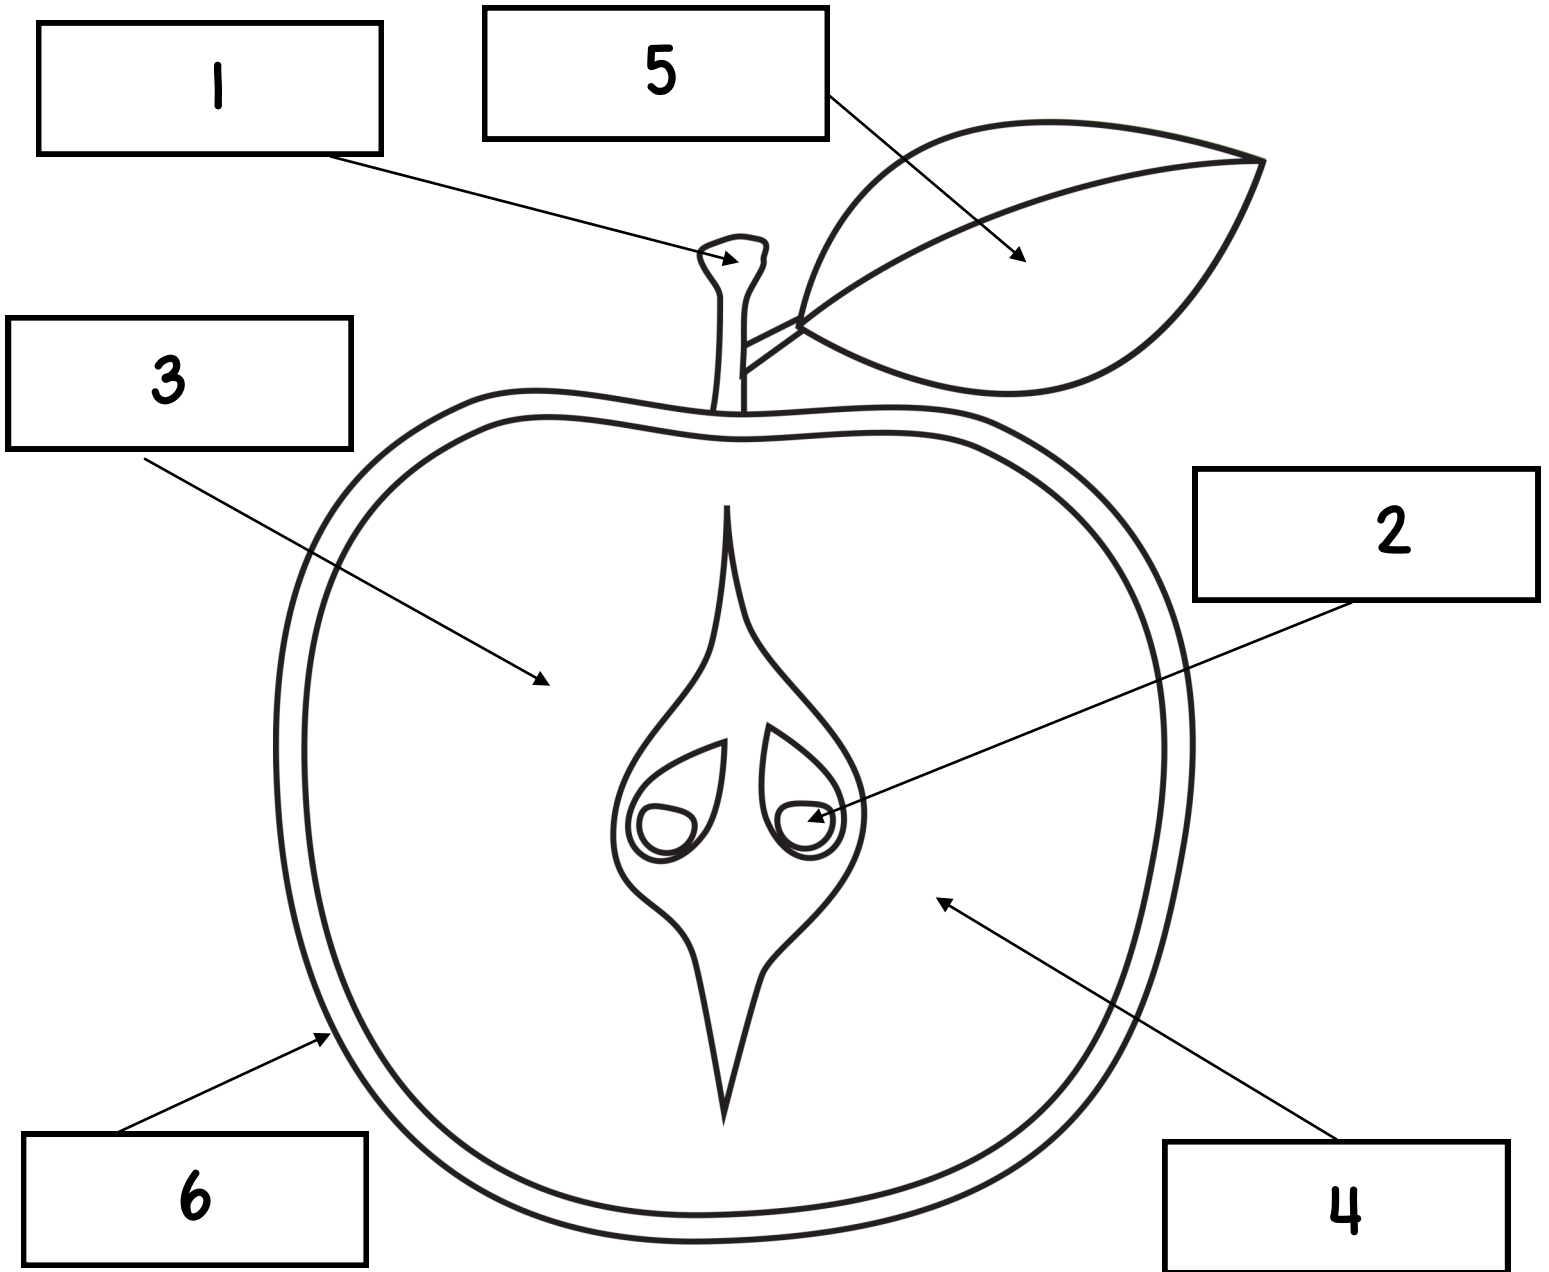

# Part of an apple

Colour the words and apple.

# Part of an apple

Cut out the label and paste them in the correct number boxes.  
Colour the apple.

1. Stem

3. Core

6. Skin

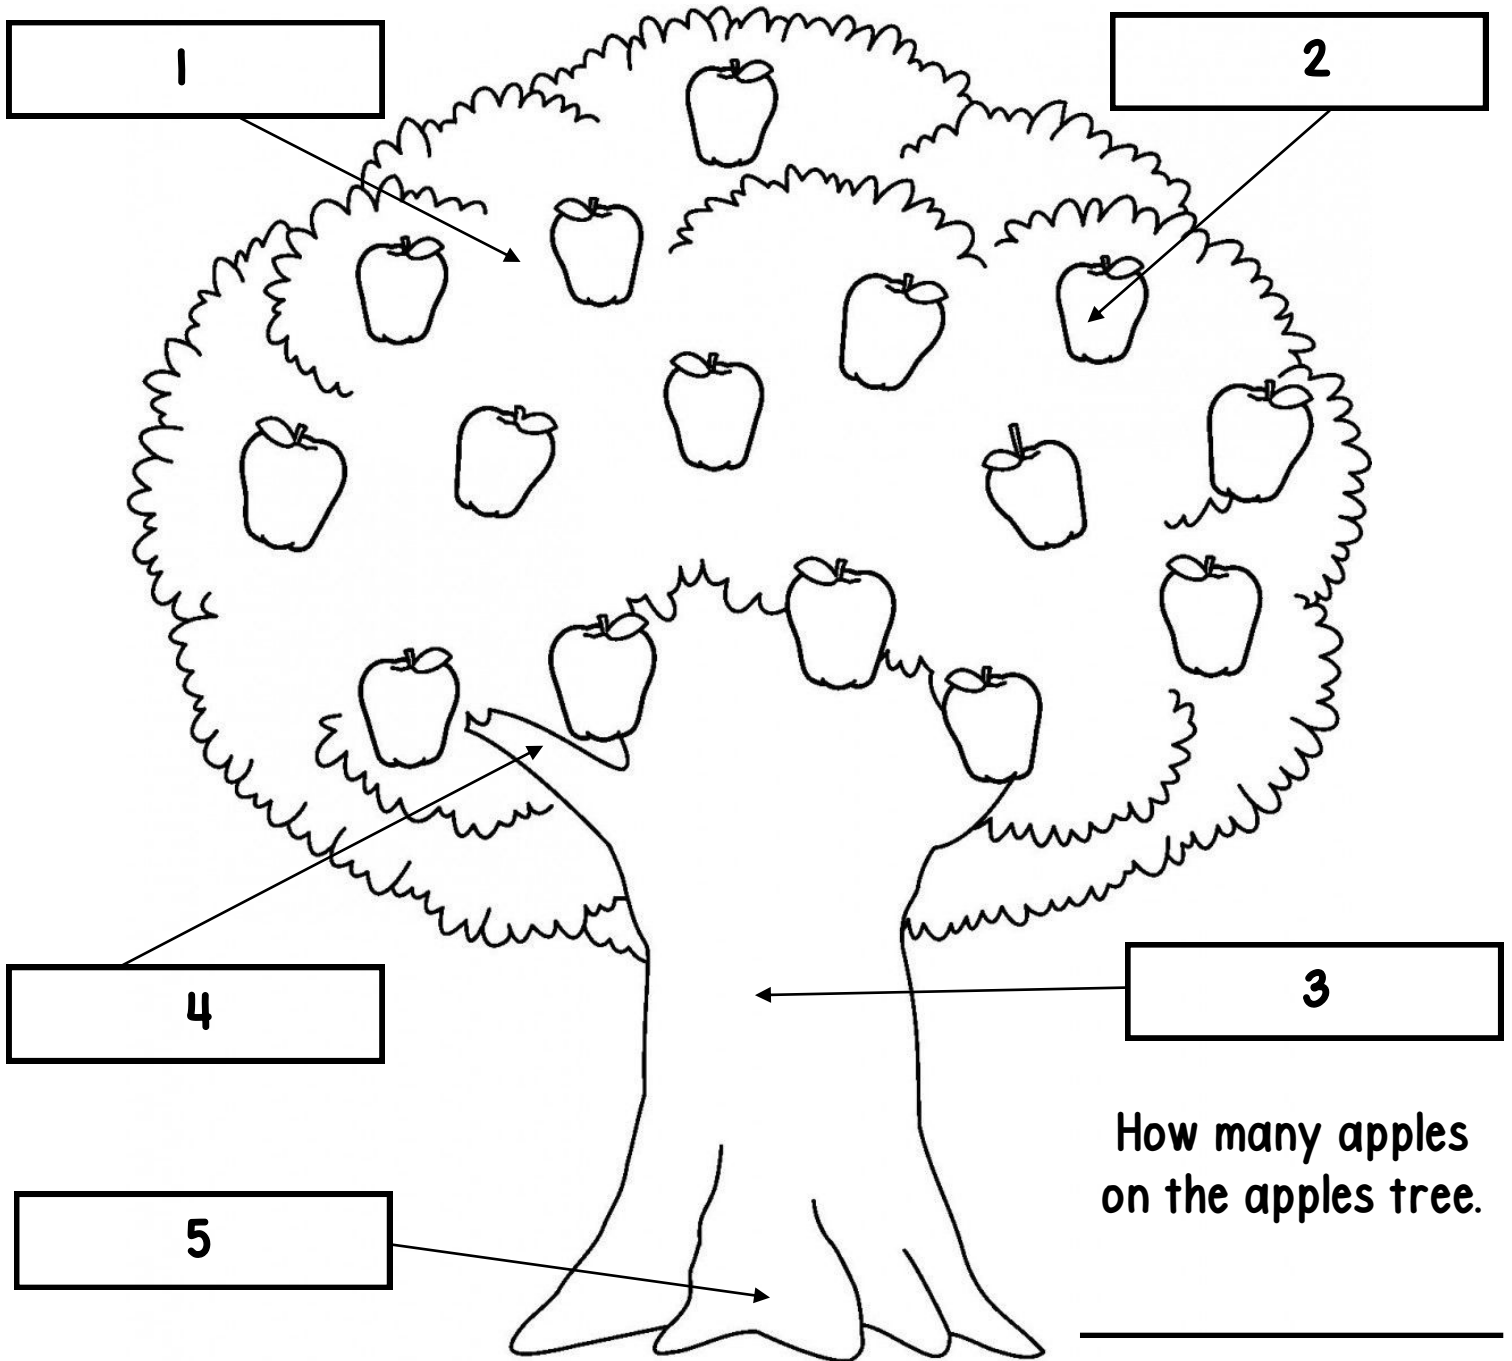

4. Flesh

2. Seed

5. Leaf

# Label The Apple Tree

Cut out the label and paste them in the correct number boxes.  
Colour the tree and count the apples.

1. Leaves

2. Apple

3. Trunk

4. Branch

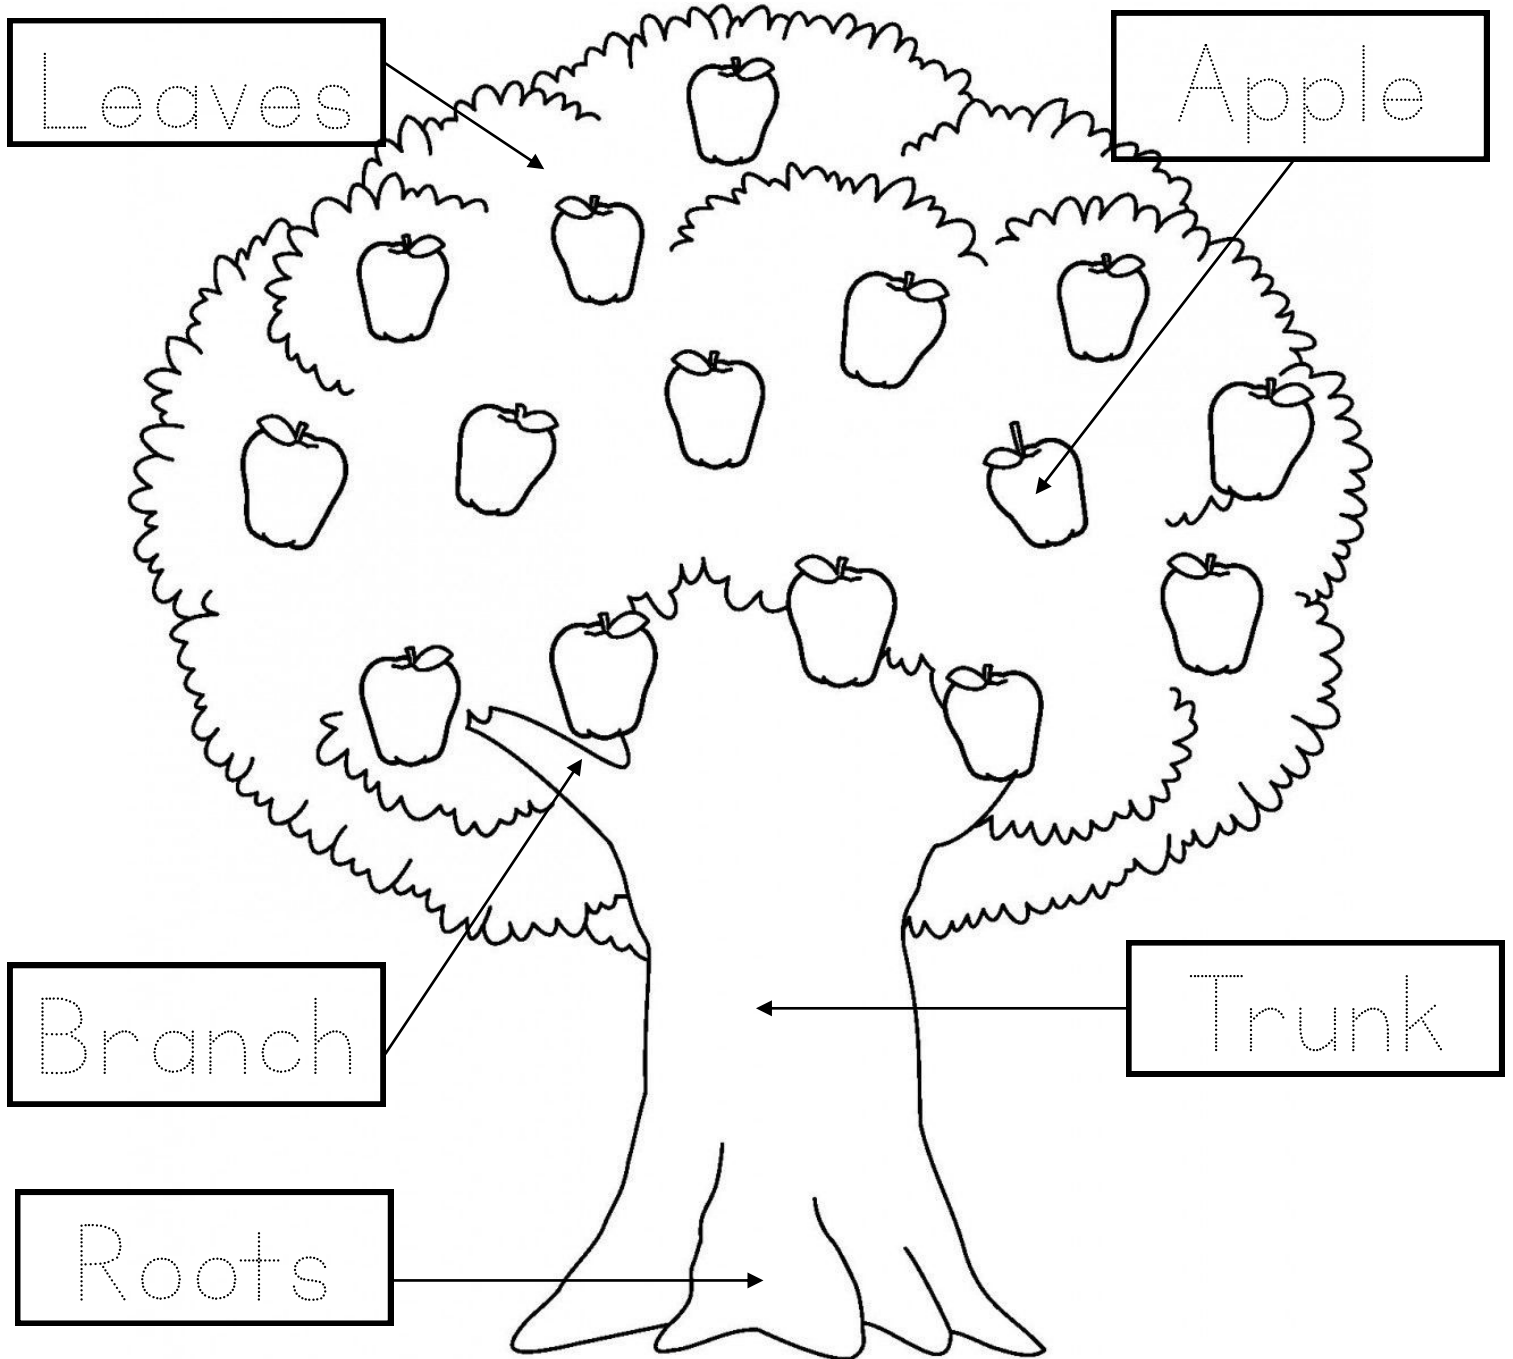

5. Roots

# Trace The Apple Tree

Trace the words.

Colour the tree and count the apples.

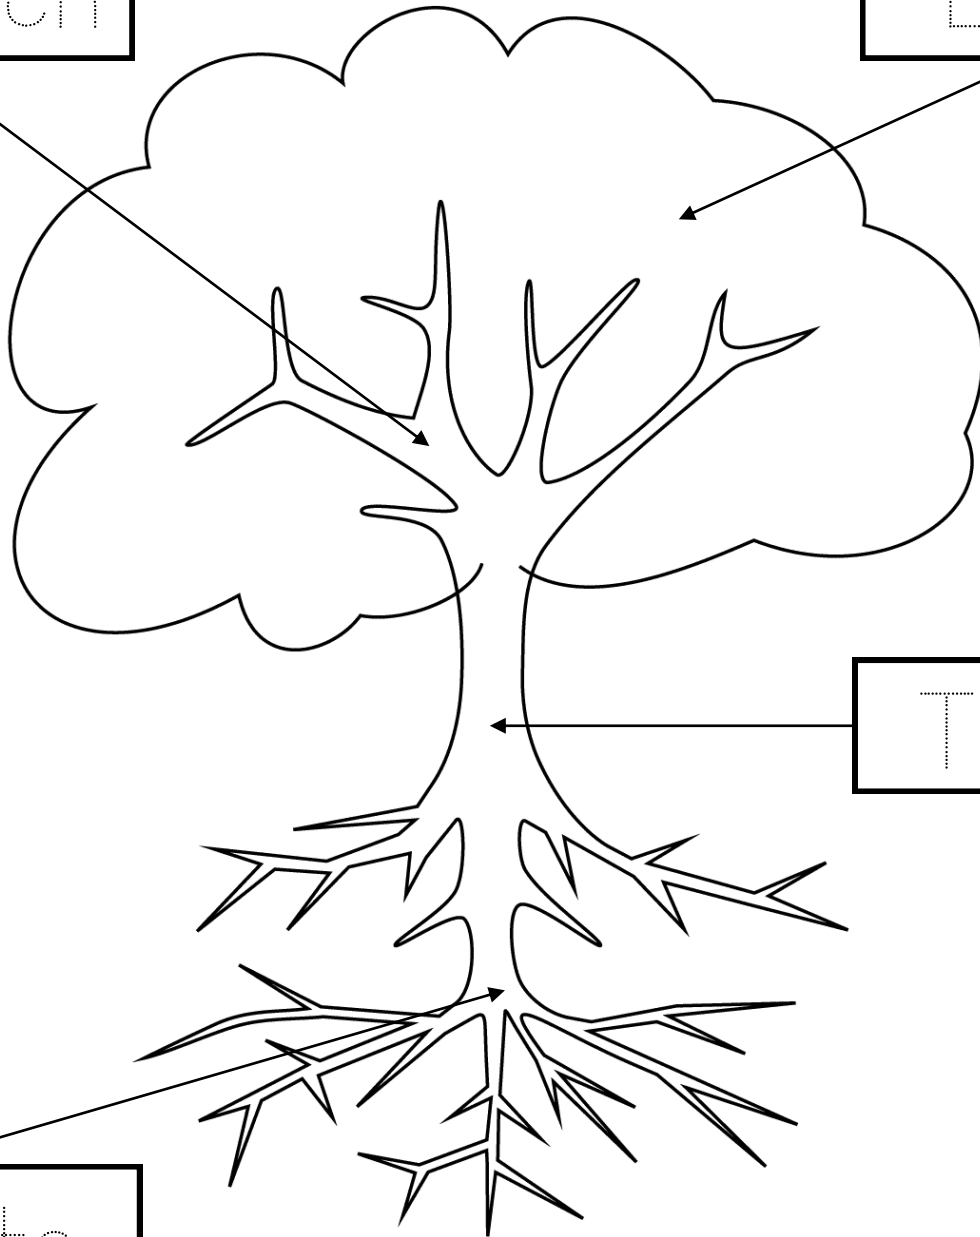

How many apples on the apples tree? \_\_\_\_\_

# Part of a Tree

Colour the tree and trace the words.

Branch

Leaf

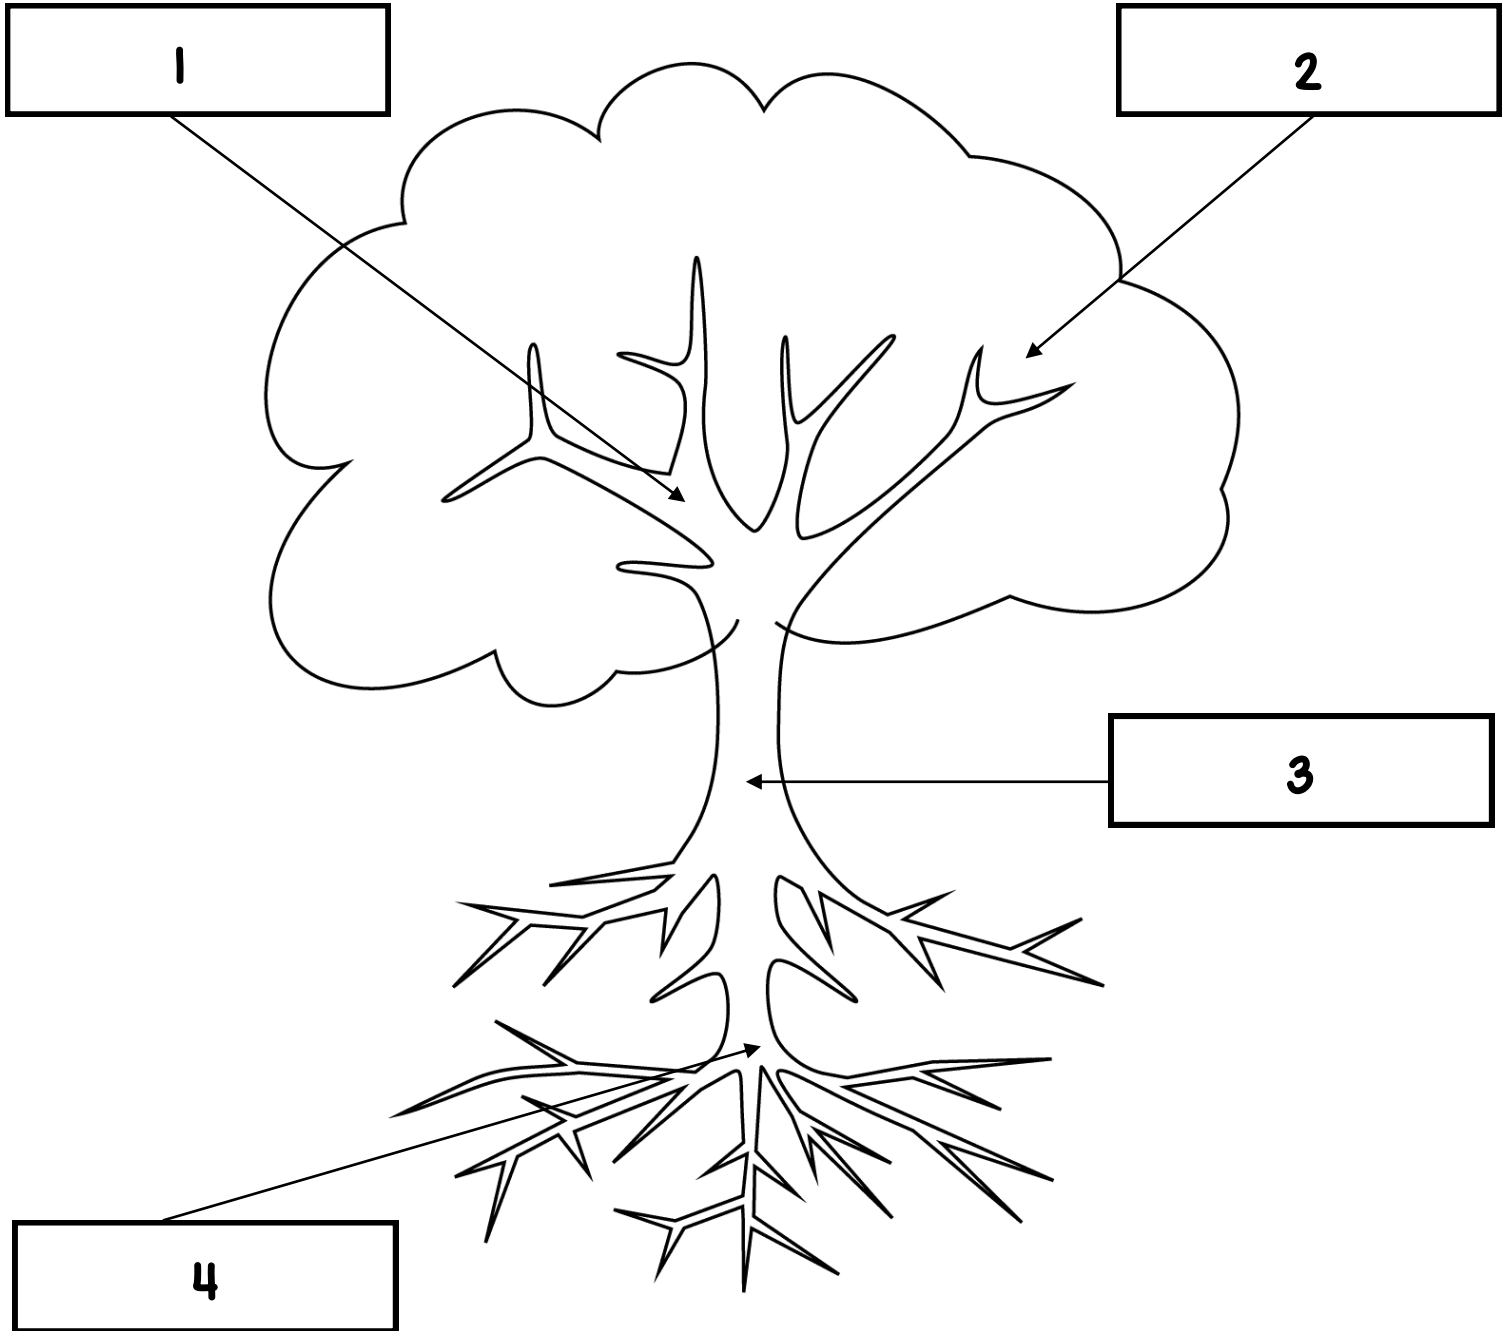

Trunk

Roots

# Part of a Tree

Cut out the label and paste them in the correct boxes.  
Colour the tree.

# Apple

Colour the apple red.  
Trace the words.

Leaf

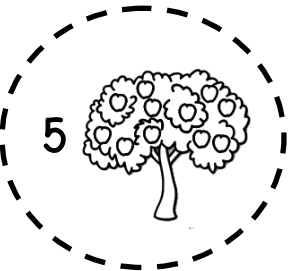

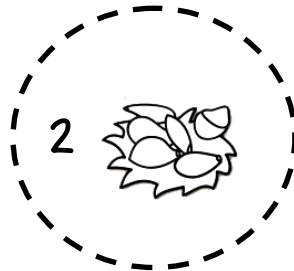

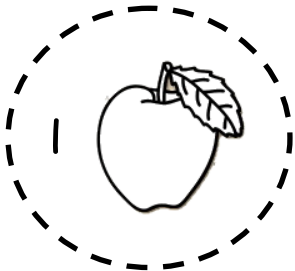

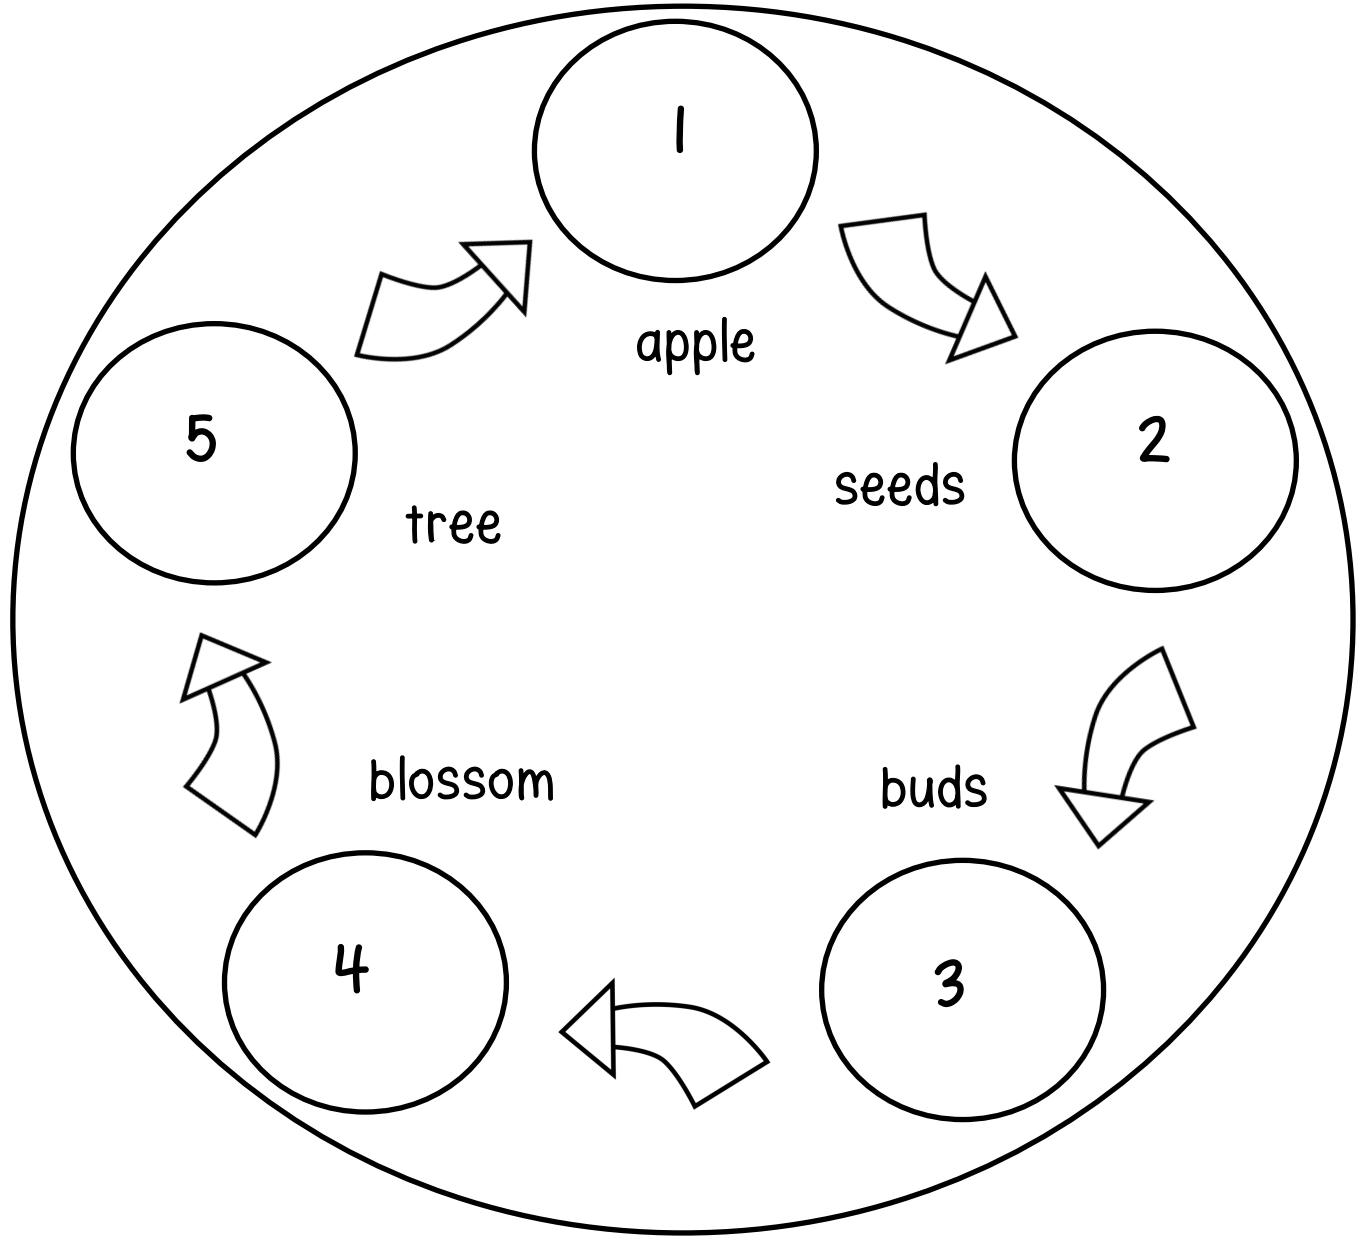

Stem

Red  
Apple

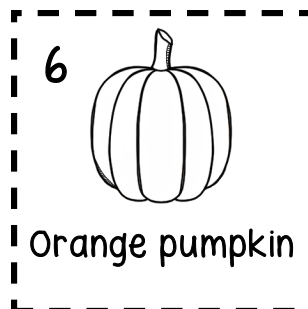

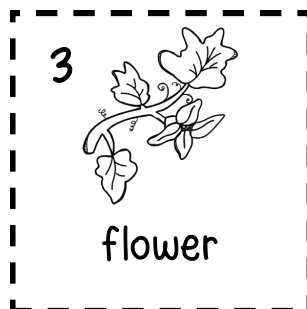

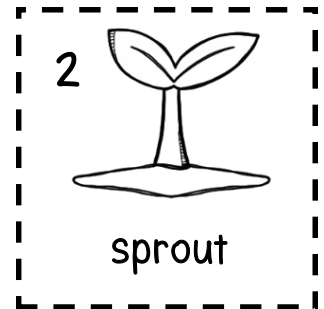

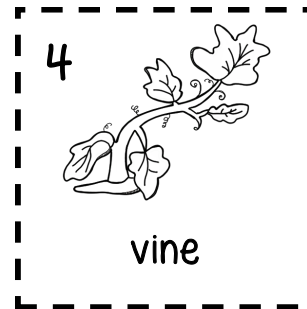

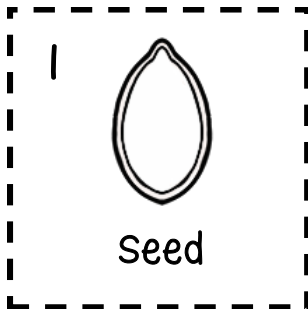

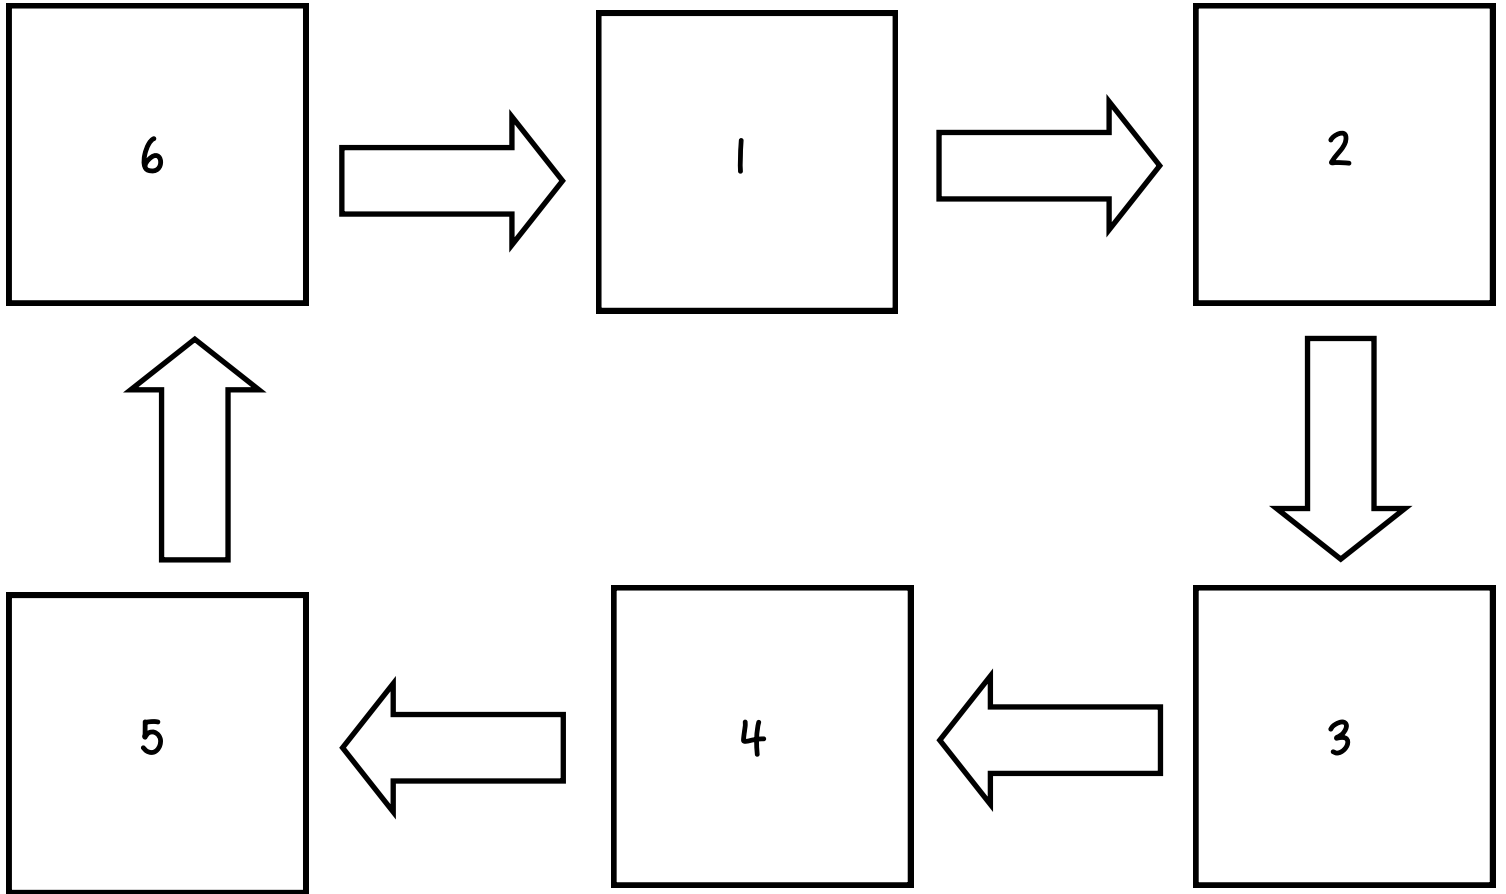

# Life Cycle of an Apple

Cut out circle label and paste them in the correct number boxes.  
Colour the picture.

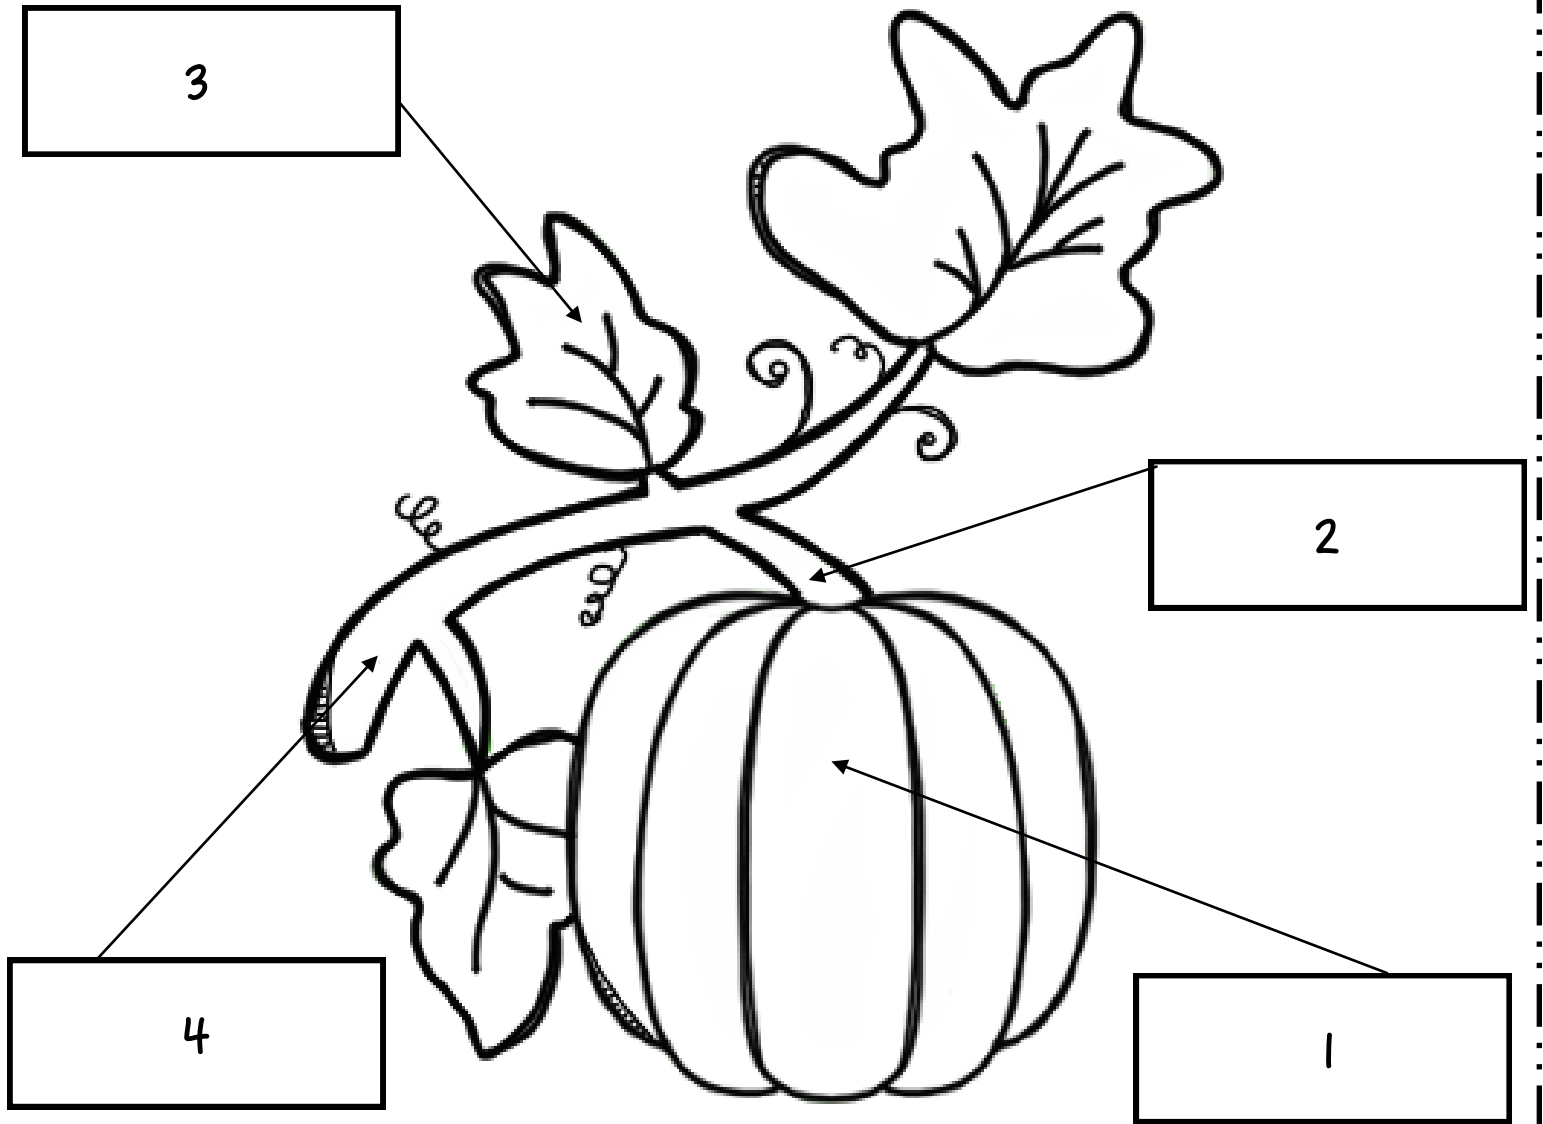

# Life Cycle of a Pumpkin

Cut out the label and paste them in the correct number boxes.  
Colour the picture.

# Label Part of a pumpkin

Cut out the label and paste them in the correct number boxes.  
Colour the pumpkin.

1. pumpkin

4. vine

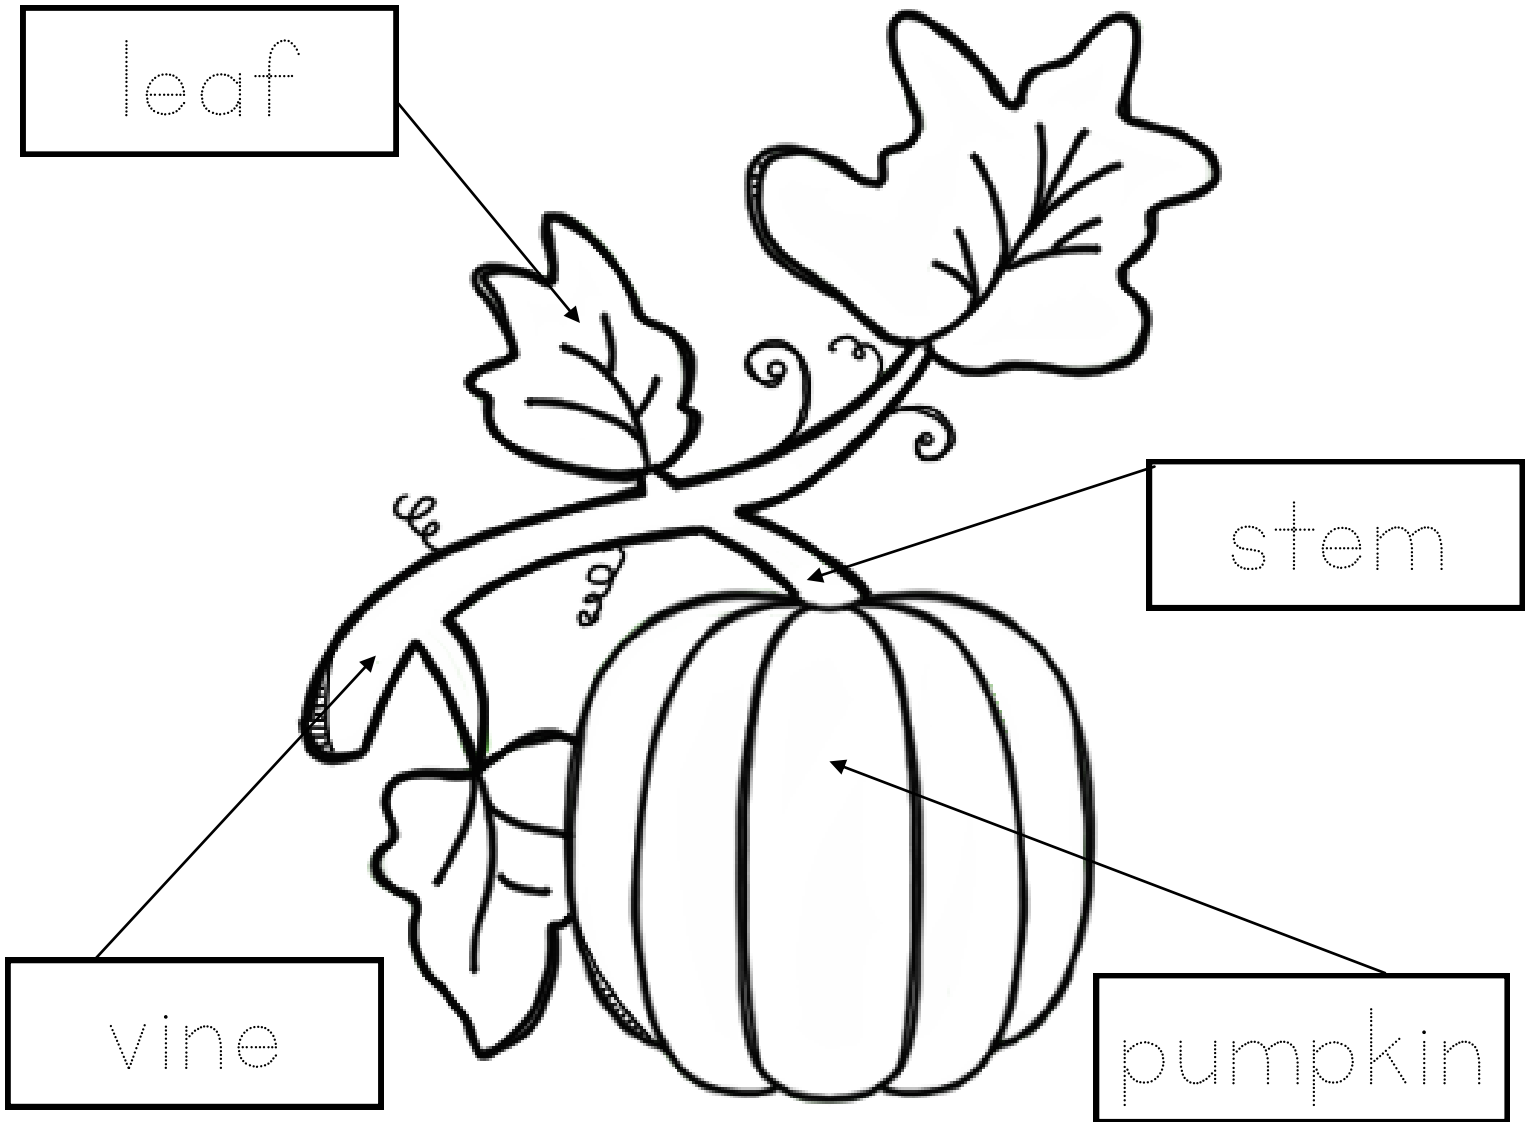

2. stem

3. leaf

# Trace Part of a pumpkin

Colour the pumpkin  
Trace the words

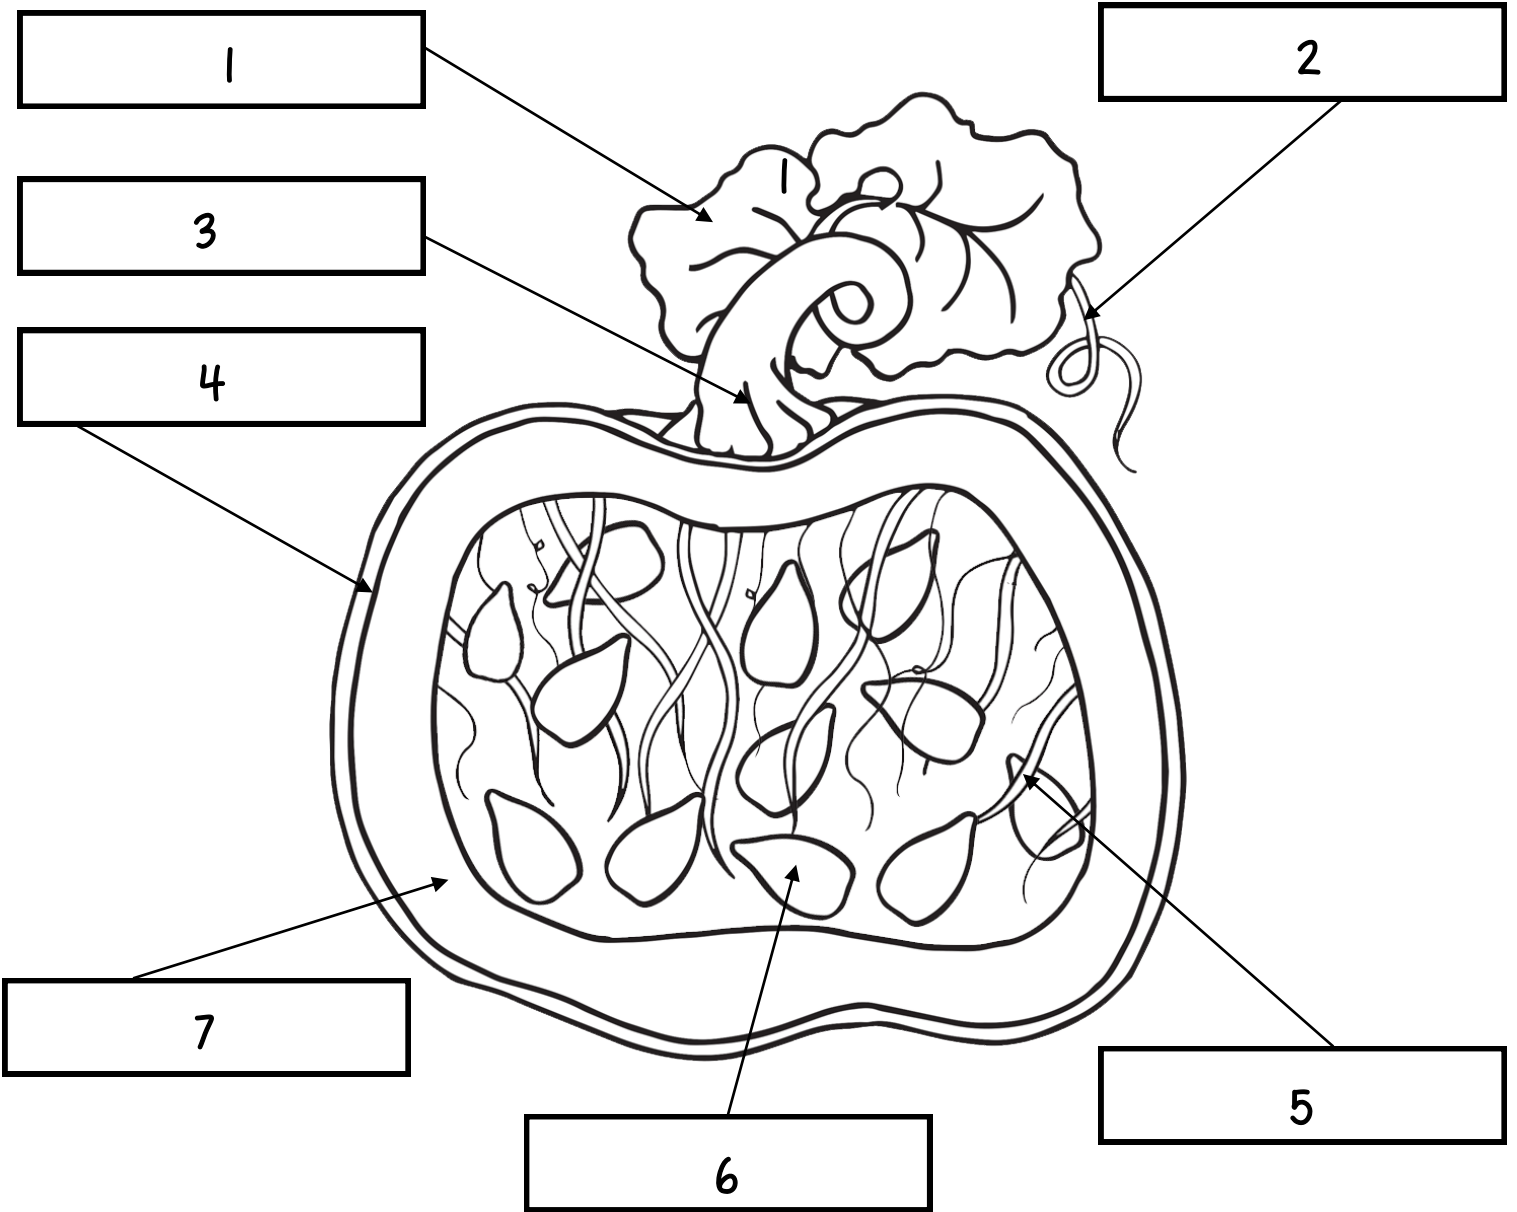

Circle the word pumpkin

Pumpkin is very heavy and grows on top of the ground with lots of orange pumpkin with the green vine.

# Part of a Pumpkin Diagram

Cut out the label and paste them in the correct number boxes.  
Colour the pumpkin.

1. Leaf

3. stem

4. skin

2. vine

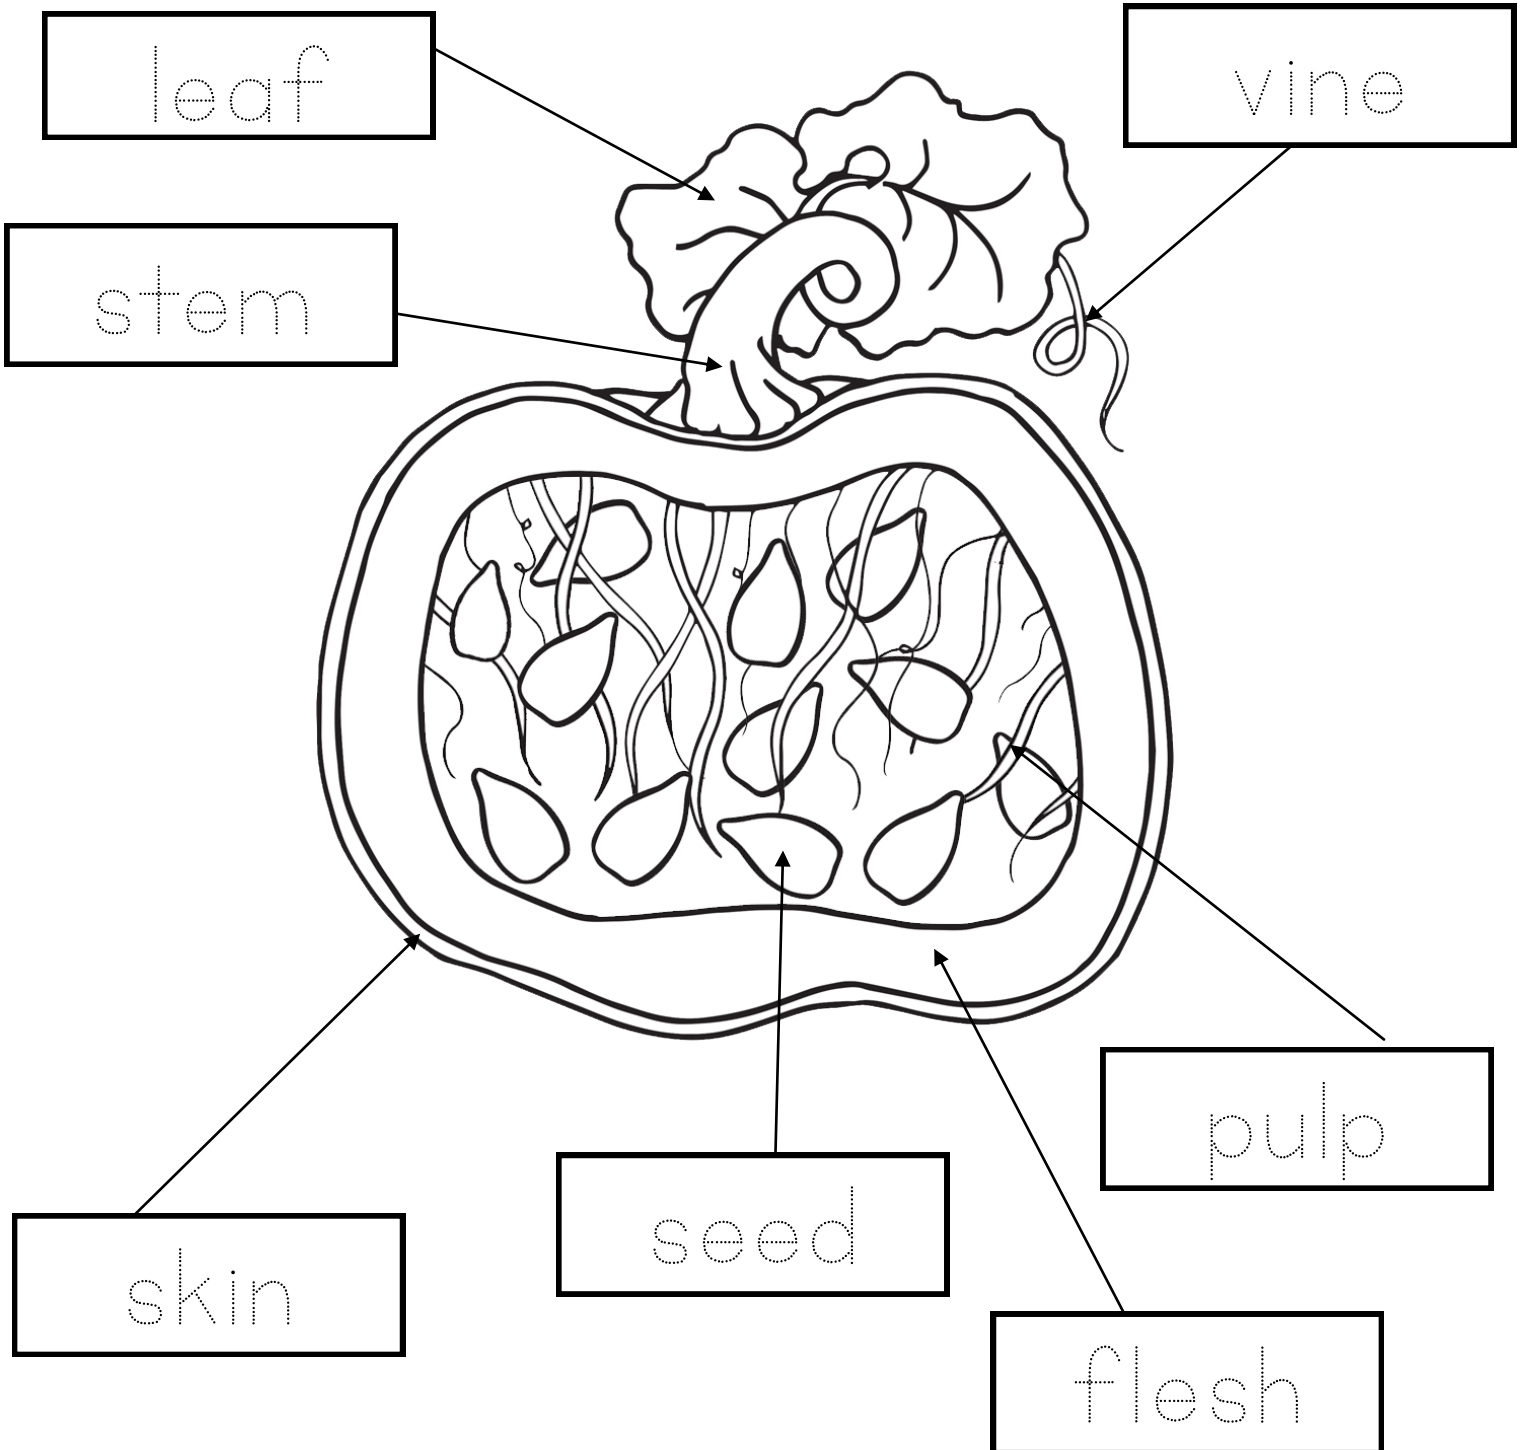

5. pulp

7. flesh

6. seed

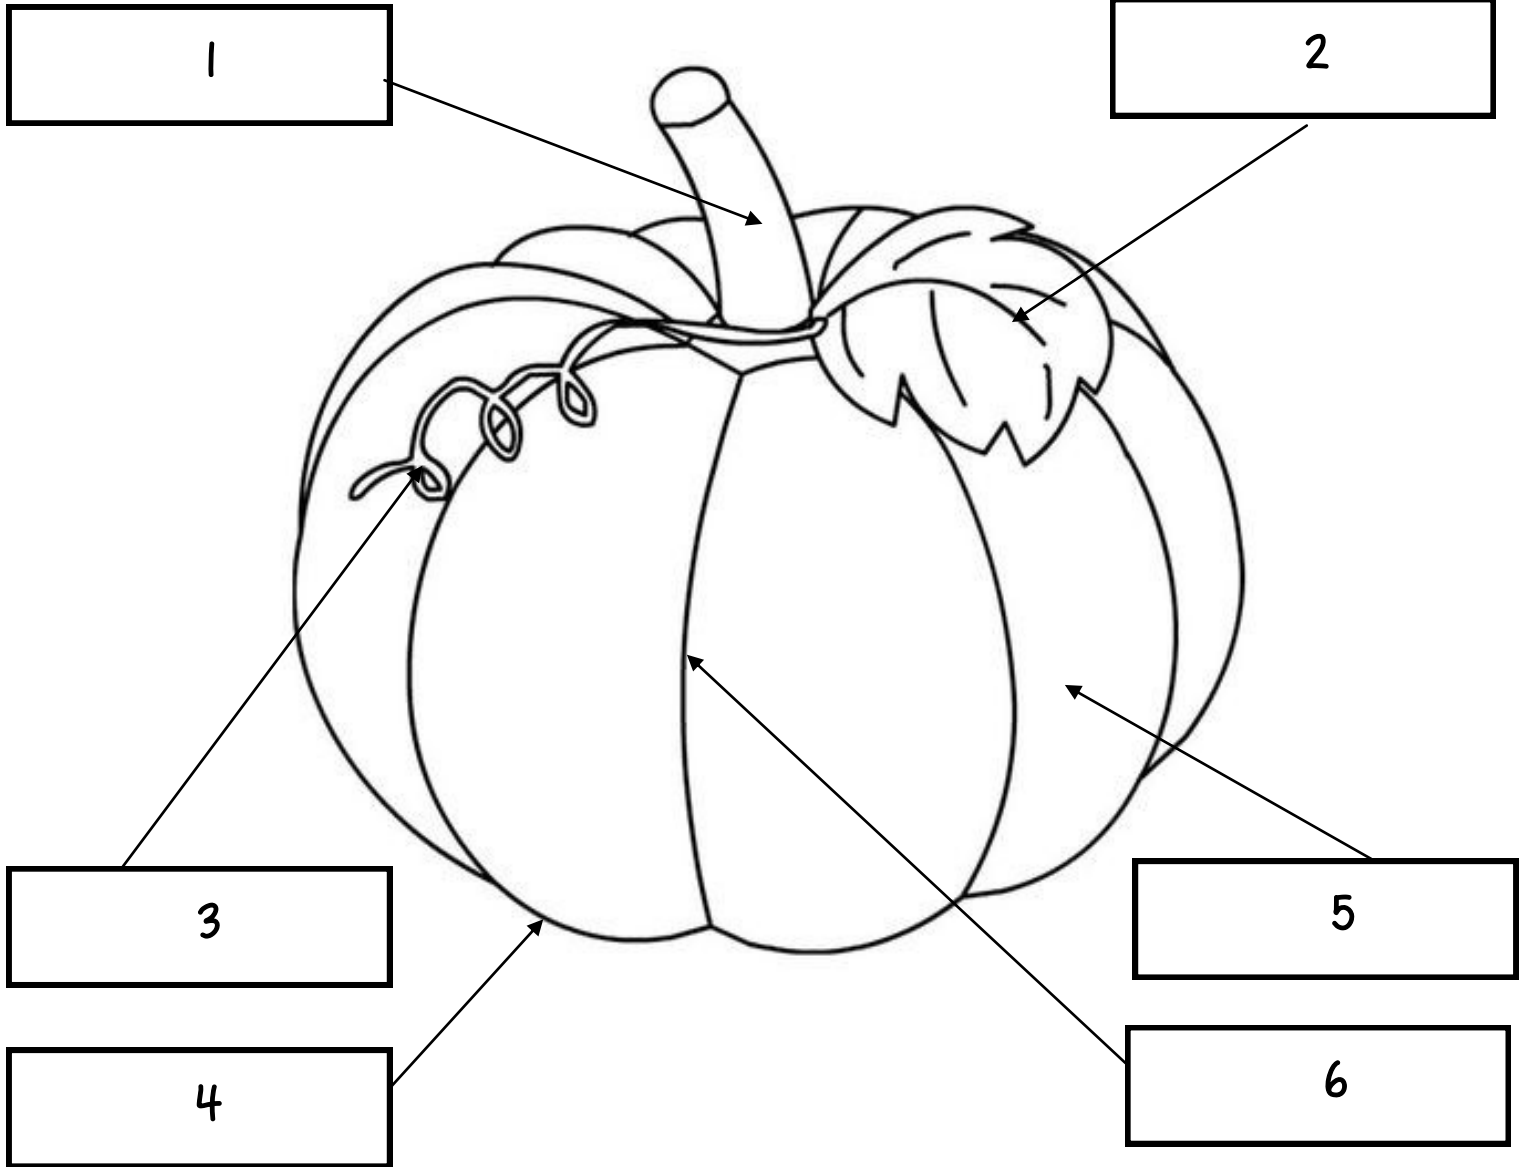

# Trace Part of a Pumpkin Diagram

Trace the words.  
Colour the pumpkin.

# Pumpkin

Cut out the label and paste them in the correct number boxes.  
Colour the pumpkin.

1. stem

4. blossom end

2. leaf

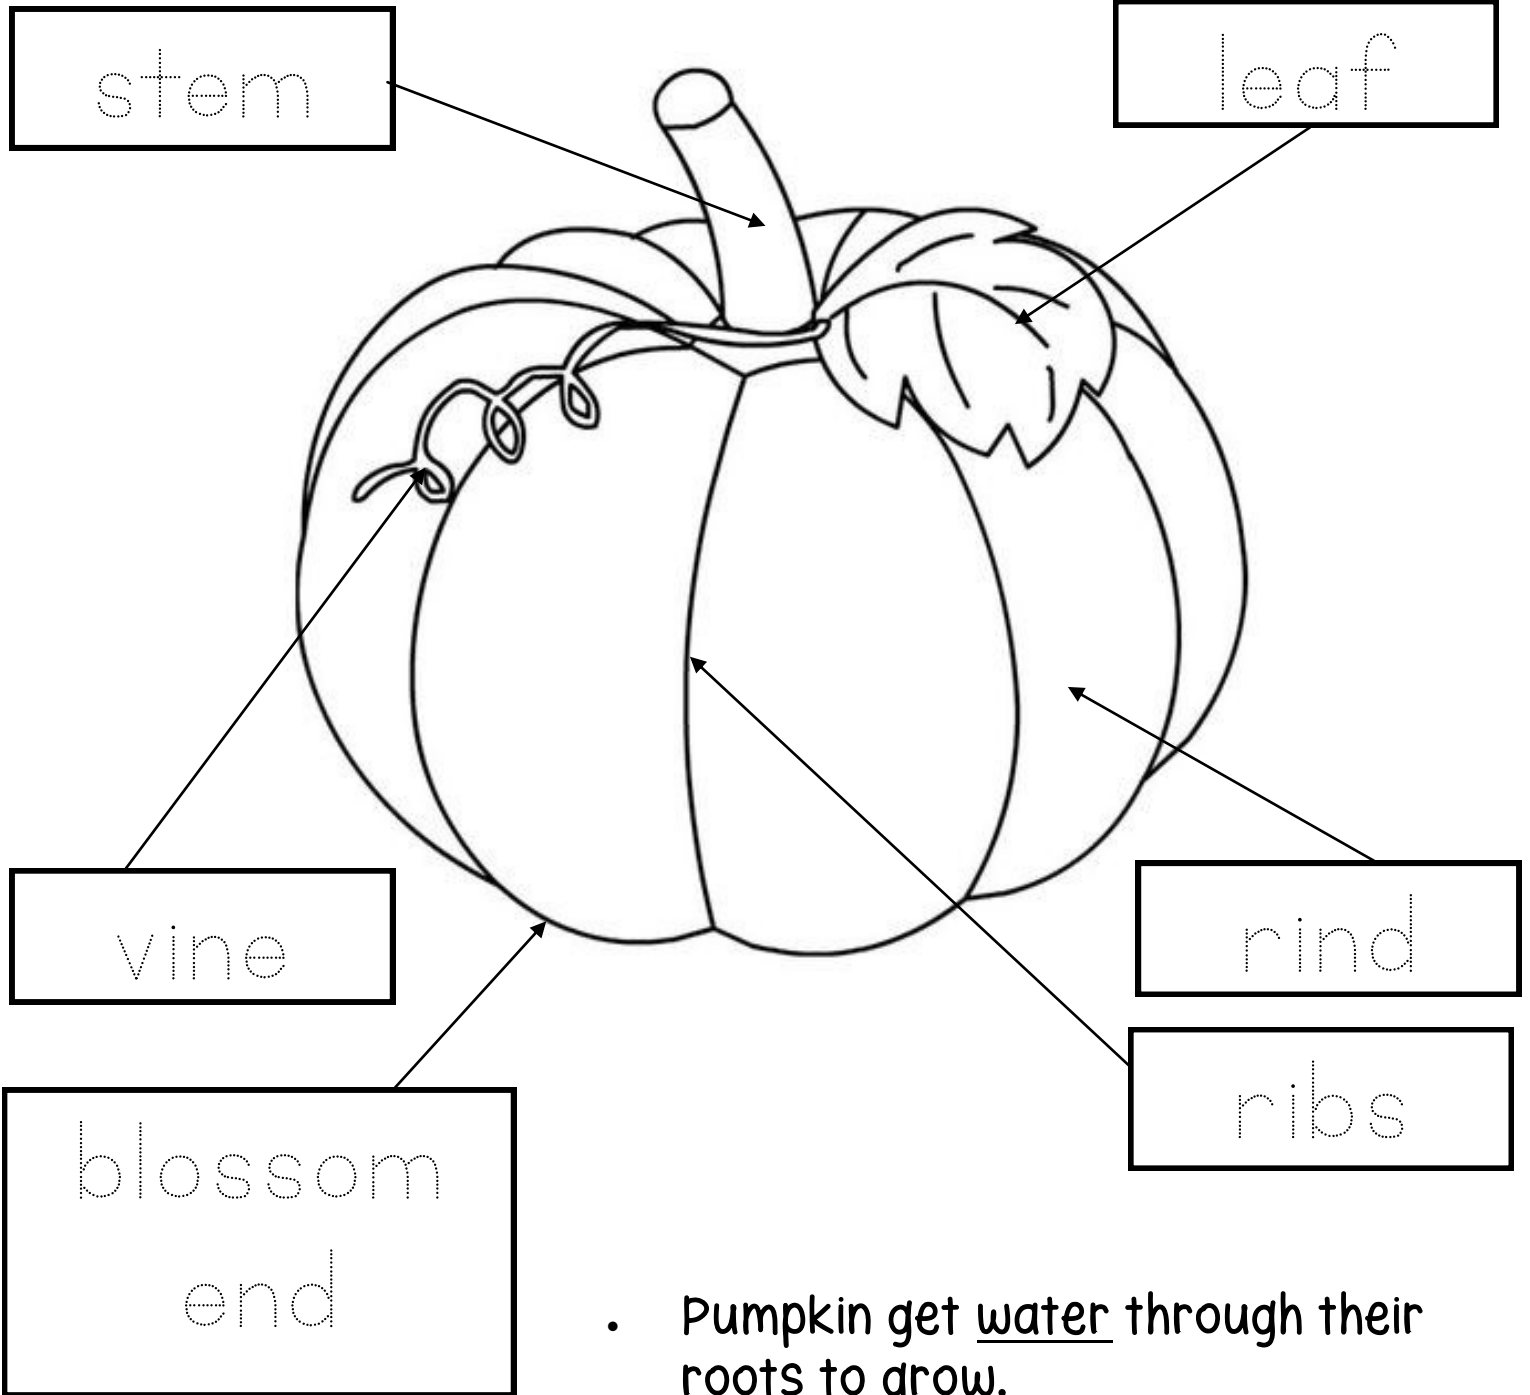

3. vine

6. ribs

5. rind

# Pumpkin

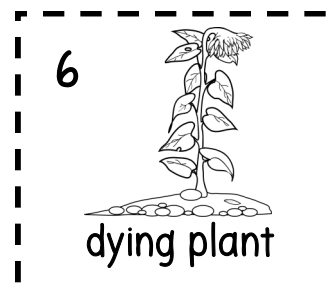

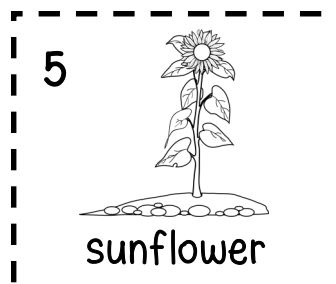

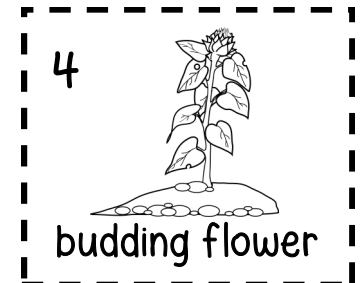

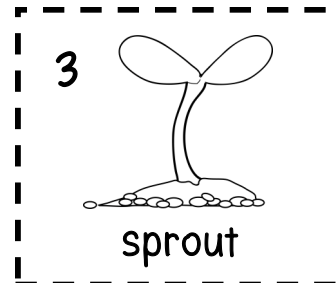

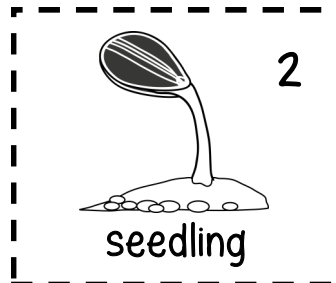

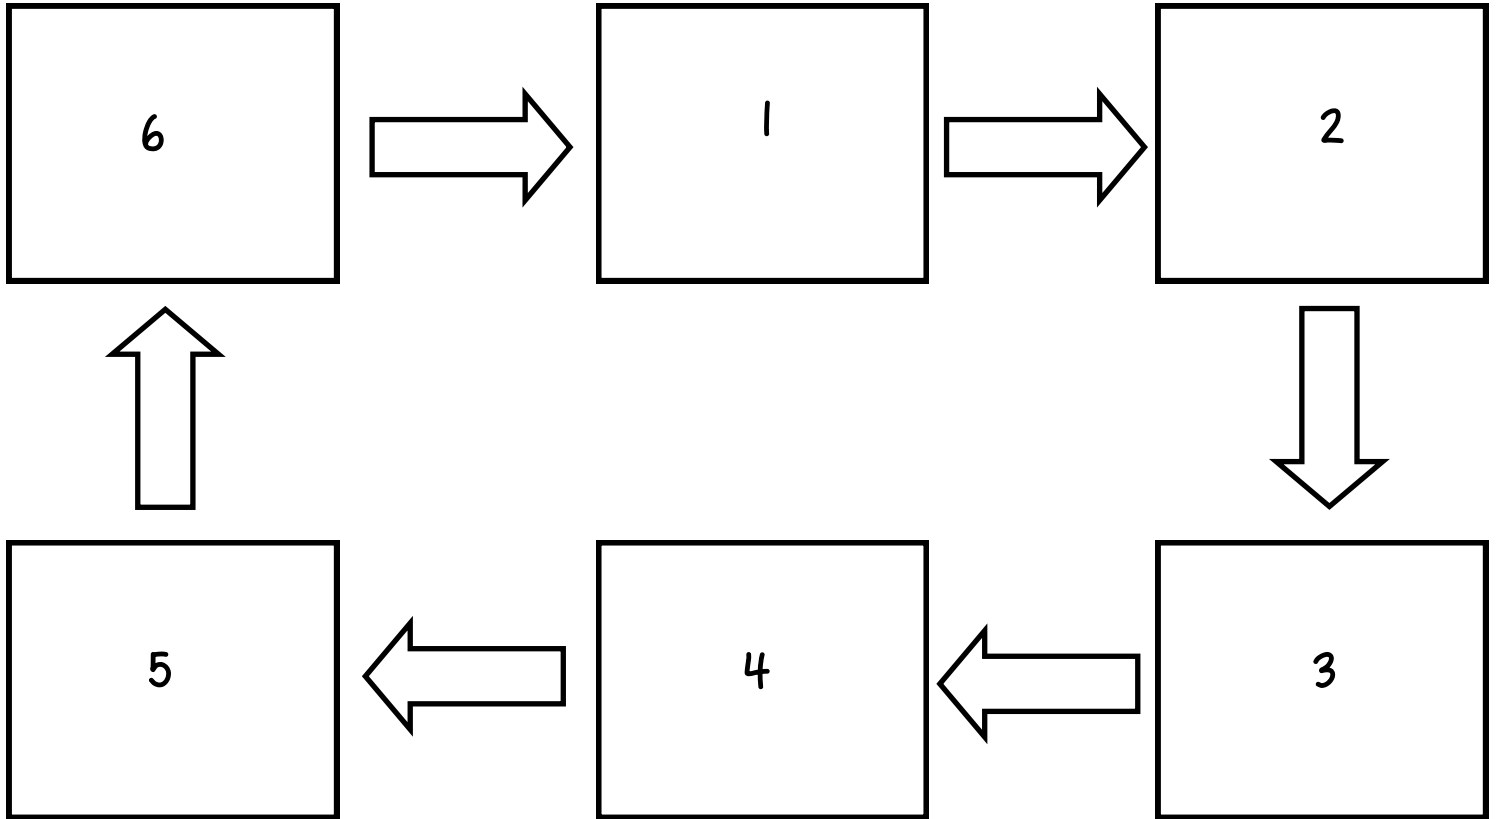

Trace the words.  
Colour the pumpkin.

- Pumpkin get water through their roots to grow.
- Pumpkin makes their food with the help of the sun.

# Life Cycle of Sunflower

Cut out the label and paste them in the correct number boxes.  
Colour the picture.

# Part of a Sunflower

Trace the words.

Draw a soil under the sunflower roots below.

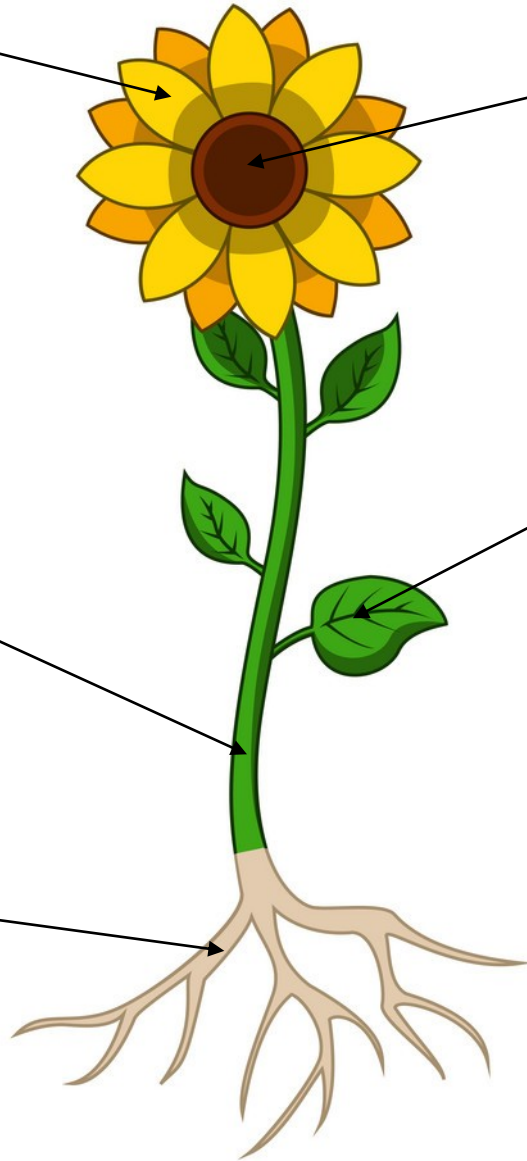

flower

seeds

leaf

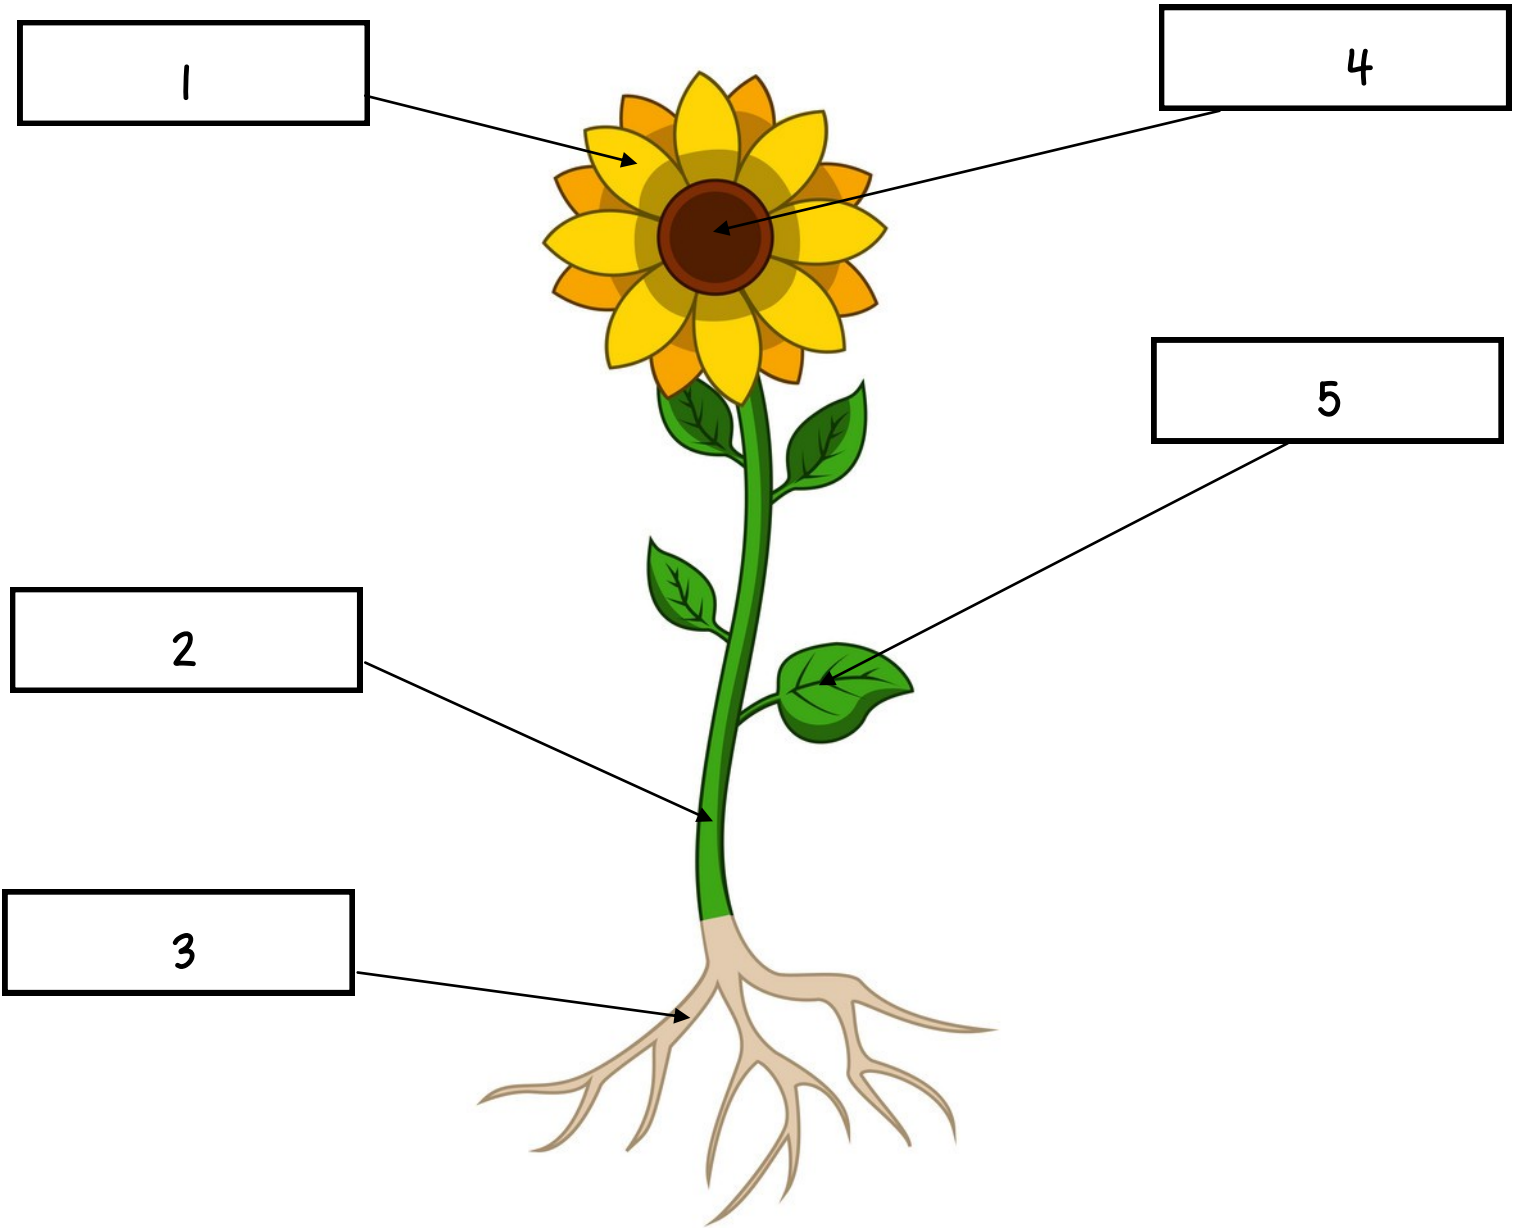

stem

roots

# Label Part of a Sunflower

Cut out the label and paste them in the correct number boxes.  
Draw a soil under the sunflower roots below.

1. flower

2. stem

3. roots

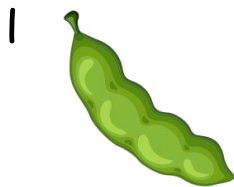

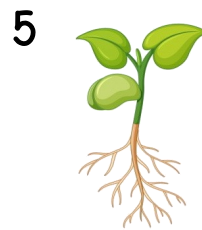

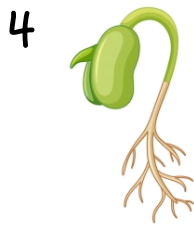

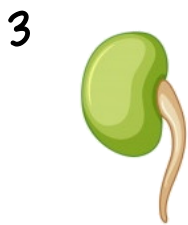

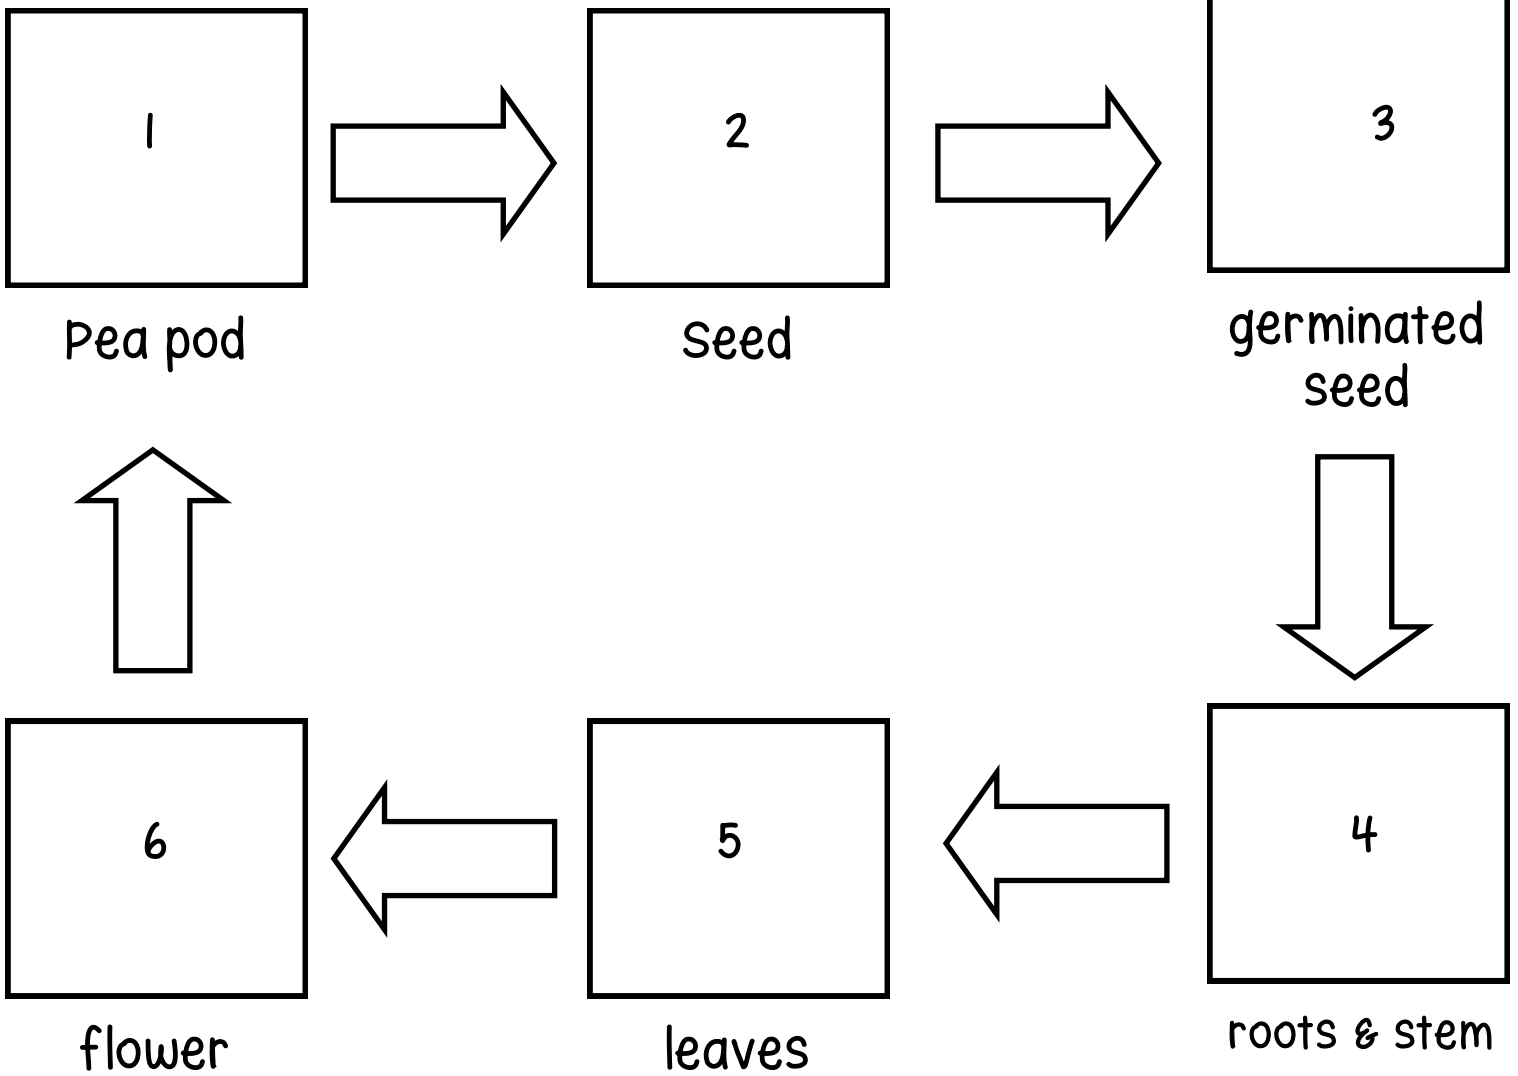

4. seeds

5. leaf

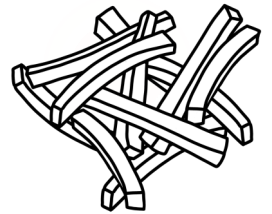

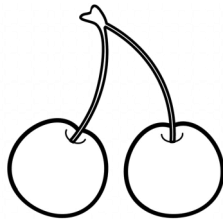

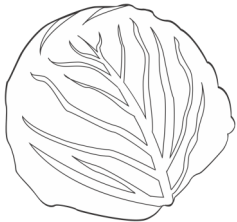

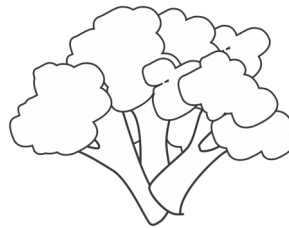

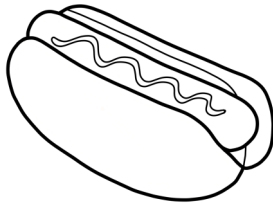

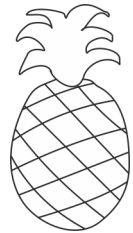

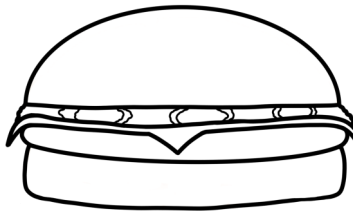

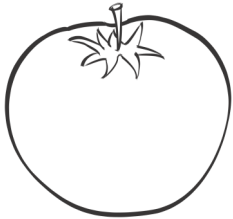

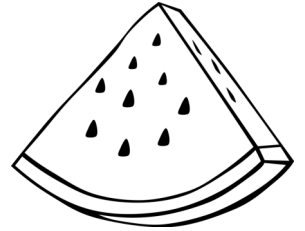

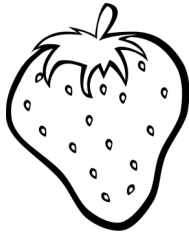

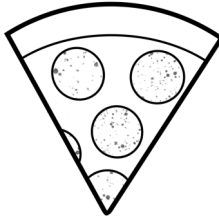

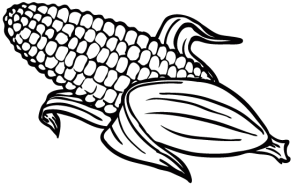

# Life Cycle of a pea

Cut out the label and paste them in the correct number boxes.

# Plants We Eat

Circle the vegetable and fruits.  
Colour the vegetable and fruits.

Count fruits and vegetables and write the number in the boxes below.

How many fruits

How many vegetables

# Draw Tulip Flowers

Draw 5 tulip flowers in the garden soil pink, yellow, red, blue, purple.  
Colour the soil brown, sun yellow.
